

HOLT Physics

The background of the cover is a dark, abstract composition. It features several bundles of fiber optic cables that appear to be glowing with blue and white light. These cables are arranged in a way that suggests light being transmitted and reflected. In the lower right quadrant, there is a prominent, glowing blue sine wave. The overall color palette is dominated by deep blues, purples, and a touch of yellow-green from the equation.
$$\sin \theta_c = \frac{n_t}{n_i}$$
