2007 Suburban Navigation Manual:

Sprawl Repair Manual Galina Tachieva, 2010-09-14 *Sprawl Repair Manual* demonstrates a step by step design process for the re balancing and re urbanization of suburbia into more sustainable economical energy and resource efficient patterns As Galina Tachieva asserts in this exceptionally useful book sprawl repair will require a proactive and aggressive approach focused on design regulation and incentives *Sprawl Repair Manual* draws on more than two decades of practical experience in the field of repairing and building communities to analyze the current pattern of sprawl development disassemble it into its elemental components and present a process for transforming them into human scale sustainable elements The techniques are illustrated both two and three dimensionally providing users with clear methodologies for the sprawl repair interventions some of which are radical but all of which will produce positive results
