Kashmir as a Borderland Antía Mato Bouzas, 2025-10-01 Kashmir as a Borderland The Politics of Space and Belonging across the Line of Control examines the Kashmir dispute from both sides of the Line of Control LoC and within the theoretical frame of border studies It draws on the experiences of those living in these territories such as divided families traders cultural and social activists Kashmir is a borderland that is a context for spatial transformations where the resulting interactions can be read as a process of becoming rather than of being The analysis of this borderland shows how the conflict is manifested in territory in specific locations with a geopolitical meaning evidencing the discrepancy between representation and the living The author puts forward the concept of belonging as a useful category for investigating more inclusive political spaces

Film Style and the World War II Combat Genre Stuart Bender, 2014-08-11 Film Style and the World War II Combat Genre is a detailed examination of the stylistic means by which filmmakers depict stories of combat The work furthers contemporary discussions by analyzing a range of World War II combat films to a degree of detail which has previously escaped critical attention This substantial examination of cinematography sound editing and acting in a range of movies including Saving Private Ryan Windtalkers Bataan and Objective Burma demonstrates the importance of close attention to the textual construction of these films specifically as well as cinematic texts more generally The work advances the original analytic descriptions of controlled spontaneity and reported realism as theoretical concepts which explain why viewers regard certain stylistic techniques as realistic This notion of realism is then further understood through reference to a body of research in cognitive psychology to argue that the density of audio visual information in contemporary combat films is a significant factor in creating a sense of realism

in the Diaspora Pam Nilan, 2017-02-17 In a world where the term Islam is ever increasingly an inaccurate and insensitive synonym for terrorism it is unsurprising that many Muslim youth in the West struggle for a viable sense of identity This book takes up the hotly debated issue of Muslim youth identity in western countries from the standpoint of popular culture It proposes that in the context of Islamophobia and pervasive moral panic young Muslims frame up their identity in relation to external conditions that only see good and bad Muslims on both sides of the ideological fence between Islam and the West Indeed by attempting to break down the good versus bad Muslim dichotomy that largely derives from western media reports as well as political commentary Muslim Youth in the Diaspora Challenging Extremism through Popular Culture will enlighten the reader It illuminates the way in which diasporic Muslim youth engage with and are affected by the radical Islamist meta narrative It examines their popular culture and online activity their gendered sense of self and much more This original book will be of interest to students and scholars interested in the fields of sociology cultural studies and social anthropology It offers a particular focus on Islam for research in youth studies youth culture political radicalisation and religious identity It will also be relevant to the sector of youth and social work where practitioners seek to build cultural bridges with a new generation **A fantástica fábrica de filmes** Ana Carolina Garcia, 2020-08-05 Como toda indústria do cinema também tem seus prós e contras momentos de glória na mesma intensidade de períodos de derrota e declínio Contudo desde o seu nascimento Hollywood nos envolve com suas produções Nas páginas de seu livro Ana Carolina Garcia faz uma retrospectiva desde o instante em que tudo começou até o século XXI Em linguagem fácil a autora faz uma análise dessa história a fim de apresentar o desenvolvimento do cinema desde seus primórdios tecer comentários sobre os estilos os diferentes gêneros a interação com a mídia televisiva e abordar as principais premiações e sua importância A fantástica fábrica de filmes a obra ideal para saciar a curiosidade dos amantes da sétima arte e propiciar entretenimento na dose certa The Routledge

Introduction to Canadian Crime Fiction Pamela Bedore, 2024-02-27 Who are the most important Canadian crime and detective writers How do they help represent Canada as a nation How do they distinguish Canada's approach to questions of crime detection and social justice from those of other countries The Routledge Introduction to Canadian Crime Fiction provides a much needed investigation into how crime and detection have been and will be represented within Canada's national literature with an attention to contemporary popular and literary texts The book draws together a representative set

of established Canadian authors who would appear in most courses on Canadian crime and detective fiction while also introducing a few authors less established in the field Ultimately the book argues that crime fiction is a space of enormously productive hybridity that offers fresh new approaches to considering questions of national identity gender race sexuality and even genre

The Cultural Politics of Colorblind TV Casting Kristen J. Warner, 2015-06-05 This book fills a significant gap in the critical conversation on race in media by extending interrogations of racial colorblindness in American television to the industrial practices that shape what we see on screen Specifically it frames the practice of colorblind casting as a potent lens for examining the interdependence of 21st century post racial politics and popular culture Applying a production as culture approach to a series of casting case studies from American primetime dramatic television including ABC's Grey's Anatomy and The CW's The Vampire Diaries Kristen Warner complicates our understanding of the cultural processes that inform casting and expounds the aesthetic and pragmatic industrial viewpoints that perpetuate limiting or downright exclusionary hiring norms She also examines the material effects of actors of color who knowingly participate in this system and justify their limited roles as a consequence of employment and finally speculates on what alternatives if any are available to correct these practices Warner's insights are a valuable addition to scholarship in media industry studies critical race theory ethnic studies and audience reception and will also appeal to those with a general interest in race in popular culture
