Characteristics of Civilizations- Document-Based Questions

Directions: Read the context and document in order to answer the questions that follow.

Document 1:

Context: Egyptian civilization began close to the Nile River because the Nile provided a fertile area in the middle of a desert. The people depended on the Nile for food and water. Heavy rains caused the Nile to overflow regularly, which made the soil fertile and good for farming.

Document: The ancient Egyptians sang this song about the benefits of the Nile:

"When the Nile rises/
lands rejoice and all men
are glad. . . . That give us
drink to the desert places
which are far from water!"

1) According to the context and song, what were two effects of the Nile's rising waters?

2) Using the Nile as an example, why is access to fresh water one of the most important characteristics of a civilization?
