The Reason for Church Brad Edwards,2025-04-22 Rediscover the goodness and beauty of

the Body of Christ The evangelical church is hemorrhaging Over 40 million Americans have dechurched in the last 25 years alone and multiple generations have been raised to believe the most spiritual thing they can do is follow God by following their heart right out of the church Yet this shift is happening right as society is hitting record levels of loneliness stress and anxiety In The Reason for Church pastor Brad Edwards connects the dots of our current church crisis and provides compelling reasons to come back In part 1 Edwards shows how individualistic beliefs make church implausible and compromise our spiritual formation Marketplace logic and consumeristic approaches to discipleship Intuitionality spirituality and therapy speak Social media's distortion of what is true good and beautiful Performative politics and culture wars Virtuous victimhood the decline of trust and the rise of power These chapters show why individualism won't satisfy and can't provide the refuge it promises In part 2 Edwards uses personal examples church history non Western expressions of faith and Scripture to show how the church is our existentially satisfying alternative to individualism Equipped with an institutionally robust vision we will rediscover the church as God's spiritual greenhouse where soul tired sojourners and lonely exiles are restored and repurposed for life in the world The Reason for Church offers an honest yet hopeful vision for church as a necessary institution With radical individualism tearing us apart we need compelling reasons to fall back in love with Christ's bride now more than ever
