Evolution : What Dawkins Did Not Tell You Olufemi Emmanuel Dokun-Babalola, 2014-12-08 The notion that those of us who are Christians are some kind of flat earthers who are impervious to reason and evidence based science is utterly false For atheism to succeed as an ideology humanists must find an alternative explanation to creation and intelligent design

Therefore there is a hard push for molecule to man evolution to be accepted as dogma In this book a robust riposte is presented to the current most popular book pushing this concept on the unsuspecting public The Greatest Show on Earth by Richard Dawkins A lot of research has gone into Evolution What Dawkins Did Not Tell you and the thinking of several other leading scientists is encapsulated What is clear to the author at the end of his exhaustive research is that macroevolution just like green men on Mars is desperate wishful thinking It is hoped this book will be read by the lay public scientists college and high school students evolutionists creationists as well as policy makers in education and political leaders If read with an open mind there can be only one conclusion In the beginning God created the heavens and the earth Single Women in Popular Culture A. Taylor,2011-11-25 Single Women in Popular Culture demonstrates how single women continue to be figures of profound cultural anxiety Examining a wide range of popular media forms this is a timely insightful and politically engaged book exploring the ways in which postfeminism limits the representation of single women in popular culture
