Zimbabwe International Monetary Fund. African Dept.,2014-07-22 EXECUTIVE SUMMARY Zimbabwe s performance under the Staff Monitored Program SMP has been broadly satisfactorily through the difficult electoral transition period and the authorities have taken corrective measures to restore a track record of policy implementation going forward In the attached Letter of Intent LOI the authorities outline progress in implementing the SMP the agreed quantitative targets and structural benchmarks to be monitored for the third review and their plans to advance the structural reform agenda and to more generally strengthen performance under the SMP Performance under the staff monitored program The SMP provided a useful anchor for Zimbabwe in an election year However progress in implementing the program was slowed by a long electoral process and a protracted post election transition as well as an adverse external environment Thus a number of quantitative targets and structural benchmarks were not met The authorities have began implementing policy measures and a program of reforms aimed at addressing the fiscal gap that has emerged for 2014 improving the quality of public expenditures enhancing financial sector stability and moving forward delayed structural reform measures The authorities have reiterated their continued commitment to the policies agreed under the SMP and to enhanced engagement with the creditors and the international community The authorities have agreed to the publication of the Letter of Intent and the staff report **Zimbabwe's Economy** Kenneth Mahuni,James Zivanomoyo,Puruweti Siyakiya,Simba Mutsvangwa,2025-02-17

This book traces the economic history of Zimbabwe from independence to the present day Through a comprehensive historical examination it highlights the short lived successes in the early years after independence and the dwindling colonial economy as well as the economic problems of the decades that followed The authors identify crucial flaws in the country s economic policies and highlight several dilemmas in the implementation of policies that exacerbated the country s deep seated structural problems The book provides deep insights into the economic and social realities of post colonial states in Africa and offers important lessons for other African countries *Zimbabwe's Harmonized Cash Transfer Programme:*

12-month impact report on productive activities and labour allocation Food and Agriculture Organization of the United Nations,2018-04-13 This impact evaluation report uses a 12 month panel data set with a non experimental design to analyse the impact of the Harmonized Cash Transfer Programme HSCT on individual and household economic decision making including agricultural and non agricultural productive activities and assets labour supply credit and social networks Attention is also paid to the role of household agricultural activities in household nutrition and dietary diversity The general framework for empirical analysis consists of a double difference estimation approach with a counterfactual The findings reveal positive impacts of the HSCT on livelihood and nutrition indicators although impacts vary based on the degree of labour constraint among beneficiary families **SADC Gender Protocol 2014 Barometer** Morna, Colleen Lowe,Dube, Sifiso,2014-10-25 In

August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol

on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance By the 2013 Heads of State summit 13 countries had signed and 12 countries had ratified the SADC Gender Protocol The Protocol is now in force With one year to go time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality In keeping with the Alliance slogan Yes we must this 2014 Barometer provides a wealth of updated data against which progress will be measure by all those who cherish democracy in the region The world and SADC is also looking to the future with the post 2015 agenda Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 *Quotas - Data Update and Simulations* International Monetary Fund. Finance

Dept.,International Monetary Fund. Statistics Dept.,2016-09-08 The quota database has been updated by one year through 2014 Overall the results of the update continue the broad trends observed in previous updates but the shifts between the main country groups are generally smaller Using the current quota formula the calculated quota share of Emerging Market and Developing Countries EMDCs as a group increases by 0.6 percentage points relative to the 2015 update to 49.3 percent which is about half the increase in the last update The paper takes stock of recent discussions on the quota formula including the outcome of the Quota Formula Review in 2013 and subsequent discussions in the context of the annual quota data updates It also updates the illustrative simulations of possible reforms of the quota formula presented previously using the latest data These simulations have sought to capture possible reforms that would be broadly in line with the conclusions of the Quota Formula Review and Directors guidance is sought on the relative merits of these reforms and the most productive areas for future work Download Quota Data Updated IMF Quota Formula Variables September 2016 **The ACP Group**

and the EU Development Partnership Annita Montoute,Kudrat Virk,2017-01-01 This book constitutes a systematic and critical assessment of the nature evolution and prospects of the development partnership between the 79 member African Caribbean and Pacific ACP group of states and the 28 member European Union EU A core theme that runs through the work is that the ACP's partnership with the EU remains an important framework for addressing development challenges in the African Caribbean and Pacific regions but needs to adapt to changes in the global political economy as well as internal developments in both the ACP and the EU to sustain its relevance and effectiveness This is crucial for the ACP group in particular given its origins in and core focus on development cooperation with Europe The authors in this volume examine the history of the ACP EU partnership since 1975 the EU's relationship with the African Caribbean and Pacific regions individually ACP experiences with economic partnership agreements with the EU and new political issues in particular security migration and diasporas Shedding light on the future prospects of this relationship this book will be of interest to both scholars and policymakers working on the ACP EU relationship and related development issues including trade aid security and migration **UNESCO science report** UNESCO,2015-11-09 There are fewer grounds today than in the past to deplore a North South divide in research and innovation This is one of the key findings of the UNESCO Science Report

towards 2030 A large number of countries are now incorporating science technology and innovation in their national development agenda in order to make their economies less reliant on raw materials and more rooted in knowledge Most research and development R D is taking place in high income countries but innovation of some kind is now occurring across the full spectrum of income levels according to the first survey of manufacturing companies in 65 countries conducted by the UNESCO Institute for Statistics and summarized in this report For many lower income countries sustainable development has become an integral part of their national development plans for the next 10 20 years Among higher income countries a firm commitment to sustainable development is often coupled with the desire to maintain competitiveness in global markets that are increasingly leaning towards green technologies The quest for clean energy and greater energy efficiency now figures among the research priorities of numerous countries Written by more than 50 experts who are each covering the country or region from which they hail the UNESCO Science Report towards 2030 provides more country level information than ever before The trends and developments in science technology and innovation policy and governance between 2009 and mid 2015 described here provide essential baseline information on the concerns and priorities of countries that could orient the implementation and drive the assessment of the 2030 Agenda for Sustainable Development in the years to come
