Schultz,2011-01-01 This book embraces the idea of listening to and learning from students Although many educational theorists have long argued that incorporating

children's perspectives about teaching and curriculum has the potential for increasing students' interest and participation in learning; their radical perspectives are still ignored or dismissed in theory and practice. Through featured essays, historical excerpts, and provocative poetry, this collection provides research, literature, and inquiry ideas that ought to be part of educational debates, policy discussions, and decision makings. Articulated through thoughtful prose and discerning analysis, youth teachers and scholars featured in this collection illuminate the power and promise of not only listening to and learning from students but also acting upon the insights of students. This book calls for the 21st century educational workers: teachers, educators, parents, community workers, administrators, and policy makers to perceive students as massive reservoirs of knowledge that invigorate possibilities for teaching, learning, and curriculum in the contested educational landscape.

[The Devil You Dance With](#) Audrey McCluskey, 2010-10-01. South African film culture like so much of its public life has undergone a tremendous transformation during its first decade of democracy. Filmmakers once in exile, banned, or severely restricted have returned home; subjects once outlawed by the apparatus of apartheid are now fair game, and a new crop of insurgent filmmakers are coming to the fore. This extraordinary volume presents twenty-five in-depth interviews with established and emerging South African filmmakers collected and edited by Audrey Thomas McCluskey. The interviews capture the filmmakers' spirit, energy, and ambition as they attempt to give birth to a film culture that reflects the heart and aspirations of their diverse and emergent nation. The collection includes a biographical profile of each filmmaker as well as an introductory essay by McCluskey pointing to the themes as well as creative differences and similarities among the filmmakers. *A Horrible Experience of Unbearable Length* Roger Ebert, 2022-05-24. More of the Pulitzer Prize-winning film critic's most scathing reviews. *A Horrible Experience of Unbearable Length* collects more than 200 of his reviews from 2006 to 2012 in which he gave movies two stars or fewer. Known for his fair-minded and well-written film reviews, Roger is at his razor-sharp, humorous best when skewering bad movies. Consider this opener for the one-star *Your Highness*: *Your Highness* is a juvenile excrescence that feels like the work of 11-year-old boys in love with dungeons, dragons, warrior women, pot, boobs, and four-letter words. That this is the work of David Gordon Green beggars the imagination. One of its heroes wears the penis of a minotaur on a string around his neck. I hate it when that happens. And finally, the inspiration for the title of this book: the one-star *Transformers: Revenge of the*

Fallen Transformers Revenge of the Fallen is a horrible experience of unbearable length briefly punctuated by three or four amusing moments One of these involves a doglike robot humping the leg of the heroine If you want to save yourself the ticket price go into the kitchen cue up a male choir singing the music of hell and get a kid to start banging pots and pans together Then close your eyes and use your imagination Roger Ebert s I Hated Hated Hated This Movie and Your Movie Sucks which gathered some of his most scathing reviews were bestsellers This collection continues the tradition reviewing not only movies that were at the bottom of the barrel but also movies that he found underneath the barrel Movie buffs and humor lovers alike will relish this treasury of movies so bad that you may just want to see them for a good laugh Ways of Seeing Women's Leadership in Education: Stories, Images, Metaphors, Methods and Theories Kay Fuller,Pontso Moorosi,Victoria Showunmi,Saeeda J.
