Nathan, Jack M. Gorman, 2007-03-15 Much about this third edition of *A Guide to Treatments That Work* remains as it was in the first and second editions Like its predecessors this edition offers detailed evaluative reviews of current research on empirically supported treatments written in most instances by clinical psychologists and psychiatrists who are major contributors to that literature Similarly the standards by which the authors were asked to evaluate the methodological rigor of the research on treatments have also remained the same As before they provide information on the quality of the research on treatment efficacy and effectiveness that is reviewed

Handbook of Homework Assignments in Psychotherapy Nikolaos Kazantzis, Luciano L'Abate, 2006-12-11 The aim of this Handbook of Homework Assignments in Psychotherapy Research Practice and Prevention is to provide comprehensive resource on the role of homework assignments in psychotherapy and prevention However the process of generalizing in session therapeutic work through between session activity has a long history in psychotherapy This Handbook is designed to elucidate and extend that history by presenting theoretical and clinically focused descriptions of the role of homework assignments in a range of psychotherapies clinical populations and presenting problems Designed for both the beginning and the experienced psychotherapy practitioner this Handbook assumes a basic knowledge of psychopathology and practice of psychotherapy and prevention The Handbook aims to contribute to the professional resources for all psychotherapy practitioners and researchers in private and public practice graduate students in clinical and counseling psychology couple and family therapists

as well as residents in psychiatry This book does not aim to review the theories of psychotherapy in detail specific treatments of psychopathology clinical assessment or basic psychotherapy and prevention processes that are currently available in numerous psychotherapy textbooks This Handbook is a clinical resource designed to provide a focused coverage of how to integrate homework assignments into psychotherapy practice and in the prevention of mental illness Outline for the Handbook This Handbook comprises four distinct parts

The Clinical Treatment of the Criminal Offender in Outpatient Mental Health Settings Nathaniel J. Pallone, Sol Chaneles, 1990 This volume brings together in a single source a set of perspectives by leaders in the clinical treatment of criminal offenders in outpatient settings particularly those whose crimes have involved domestic violence and or substance abuse More than a set of how to techniques it addresses the question of which offenders can successfully be treated in what settings by which techniques It is a valuable resource not only for those concerned with prisons probation and parole but also for those responsible for the delivery of mental health services in the community
