The Answers Book for Kids Volume 2 Ken Ham, Cindy Malott, 2008-07-01 Dinosaurs are fascinating creatures that kids simply adore, and even the youngest believer can recite the biblical story of Noah and his ark. Now discover how to answer some of kids' most interesting questions about dinosaurs and Noah's ark, like: How did all the dinosaurs fit on the ark? How did Noah keep the animals on the ark from eating each other and his family? Where did all the water go after the Flood? Why aren't there fossils of humans from Noah's flood? Answers are important. If children aren't given answers to their questions about the Bible and the history it reveals, they cannot defend their faith against a secular worldview in a fallen world. The new Answers Book for Kids series is a unique collection from Ken Ham and the creative team at Answers in Genesis. This is a necessary resource in your homeschool or Church's Sunday School. This is the 2nd book of a 4-volume set.
