Jewish girl who had lived most of her life in Amsterdam. In January 1933, Nazis had taken over Germany, which made the Franks move to Amsterdam, Holland. By that time the Franks were in independent woman that would always talk, and stand up for her rights and her believes. Anne had short dark hair and brown eyes. She would always speak up, even when it wasn't even rights, even thought I do get carried away. Another reason was that she never gave up hope, that they would die, or get caught she always thought positive even when things were down. Another major change would be that Anne had accepted her mother, she now listens to her mom, and do what she is told without talking back. What she is told. Anne would always get in fights with Peter, she would never go to her mom for help, and the only one she had loved was her father. Her moods, would be like a roller coaster, she would be friendly, to mean, to hating someone then to loving someone. The only mood that she would always be in was positive, she would never give up, that they would get caught and was in "Hiding" a present for Hanukkah. She even hand-made all her of her presents. Anne made a crossword puzzle for Margot, hair shampoo for Mrs. Van Daan. Some.
