The Sacred Writings of the Apocrypha the New Testament Matthew Brown Riddle, While the early Church exercised proper discernment and the Canon of the New

Testament was soon definitely recognised and universally accepted the apocryphal writings were not without influence The sacred legends the ecclesiastical traditions all too potent in their effect are in many cases to be traced to these writings Much that Rome inculcates is derived from these books which the Western Church constantly rejected Included are The Protevangelium of James The Gospel of Pseudo Matthew The Gospel of the Nativity of Mary The History of Joseph the Carpenter The Gospel of Thomas The Gospel of Nicodemus The Letter of Pontius Pilate and many more **God Said** Edward McBride,2006-05 There are many questions in the bible that man still does not have the answer to Even with our modern day technology and man having the ability to go to the moon we are still debating and struggling to understand some of the basic principles of the Word of God Where is God is He all over the universe or does He reside in Heaven with His Spirit dwelling in all born again believer In my attempt to find the answer to these and many other questions I was lead by my Spirit to go back and start from the beginning God Said gives a biblical account of what happened in the beginning

God Said What? Wow! David Napier,2021-05-04 After reading some scripture verses recently I thought how amazing they were I often say in my head wow Then I thought why not see how many others I can come up with This book is not comprehensive for it would have been about 10 volumes so I have cut down drastically As with all my books I would like to think people will read question research themselves and write their own notes Although ANY words spoken by the Godhead are amazing I have restricted the verses in this small book to what I personally consider to have the wow factor even though as I write this it feels as if I am demeaning any verses I have omitted Hopefully as with anything I write I would like to think that if the reader has their own favourites they will look at them again and see why they have a special meaning and if inclined to do so write their own notes or even a book Over 2 000 times in the Old Testament there are phrases such as And God spoke to Moses or the word of the Lord came to Jonah or God said That s just the references to God I have drastically cut down the verses where God and Jesus spoke A Translation of the Old Testament Scriptures from the Original Hebrew
