Guardian Angels Rudolf Steiner, 2013-04-16 Throughout the ages traditional folklore has spoken of guardian angels as spirits who guide and protect human beings In modern times however their existence has largely been written off as myth and superstition Based on his personal experience and cognition Rudolf Steiner speaks of guardian angels and other spiritual beings as a reality Their existence he says is a spiritual and scientific fact which can be fruitfully researched and studied through clairvoyant means Furthermore working consciously with these entities can assist each of us in fulfilling our evolutionary goals In these six specially selected lectures Rudolf Steiner elucidates the role of the guardian angel and also discusses our relationship to

the heavenly hierarchies of spiritual beings as a whole and how they shape our human form as a result of their cosmic activity

Knowledge of Spirit Worlds and Life After Death Dr Bob Woodward,2020-09-24 Everyone with a curiosity for spiritual knowledge should read this excellent book Peter John psychic artist Based on direct communications with his eight spirit guides Dr Bob Woodward confirms that we have all lived in spirit worlds before our birth and that we will enter these same realms again after our material deaths In a very real sense these higher spirit worlds are actually our true home he says rather than our present physical existence which is only a temporary abode In consultation with his spirit guides including a Tibetan Lama a Jewish Rabbi a Native American and his personal guardian angel Bob Woodward gives a detailed survey of our lives in spirit worlds before birth and after death our relationships there with friends family and even pets and our connections with both good and evil spiritual beings He also gives a commentary on a range of subjects such as reincarnation and climate change In a final extensive and moving interview Woodward finds and speaks with the soul of his deceased father who offers enlightening glimpses of life after death Whilst the author s knowledge is grounded in decades of study of the work of Rudolf Steiner with which he compares the results of his own extrasensory perceptions Knowledge of Spirit Worlds is not intended as a dry philosophical study Rather it has a warm experiential quality based as it is on personal interaction with spirit entities and emphasizes the love that connects all worlds and beings together **Secret**

Brotherhoods and the Mystery of the Human Double Rudolf Steiner,2004 7 lectures of 9 St Gallen Zurich and Dornach November 15 25 1917 CW 178 In the age of the internet and the proliferation of conspiracy theories ideas that secret groups are trying to gain control of humanity are no longer rare But this was not true in 1917 when Rudolf Steiner spoke of such matters in the extraordinary lectures contained in this book His unique contribution to this controversial topic is not based on abstract theories it arose from exact research methods that use advanced forms of perception and cognition Using the firsthand knowledge available to him Steiner takes us behind the scenes of events in outer history and contemporary culture to reveal a dark world of secret elitist brotherhoods that are attempting to control the masses through the forces of economics technology and political assassinations These hidden groups he explains seek power through the use of ritual magic and suggestion Among his many topics Steiner speaks about the geographic nature of the American continent and the forces that arise from it the nature of the double or doppelganger and the dangers of psychoanalysis the spiritual origin of electromagnetism the abuse of inoculations and vaccinations the meaning of Ireland for world development confused ideas about angels in relation to higher beings and divinity and above all the need for clear insight into world events based on spiritual knowledge Never before available in English as a complete volume the text of this book has been freshly translated
