To Sleep with the Angels David Cowan,John Kuenster,1996-02-01 If burying a child has a special poignancy the tragedy at a Catholic elementary school in Chicago almost forty years ago was an extraordinary moment of grief One of the deadliest fires in American history it took the lives of ninety two children and three nuns at Our Lady of the Angels School left many families physically and psychologically scarred for life and destroyed a close knit working class neighborhood This is the moving story of that fire and its consequences written by two journalists who have been obsessed with the events of that terrible day in December 1958 It is a story of ordinary people caught up in a disaster that shocked the nation In gripping detail those who were there children teachers firefighters describe the fear desperation and panic that prevailed in and around the stricken school building on that cold Monday afternoon But beyond the flames the story of the fire at Our Lady of the Angels became an enigma whose mystery has deepened with time its cause was never officially explained despite evidence that it had been intentionally set by a troubled student at the school The fire led to a complete overhaul of fire safety standards for American schools but it left a community torn apart by grief and anger and accusations that the Catholic church and city fathers had shielded the truth Messrs Cowan and Kuenster have recreated this tragedy in a powerful narrative with all the elements of a first rate detective story

Lindberg,Gloria Jean Sykes,2016-07-20 In October 1955 three Chicago boys were found murdered their bodies naked and dumped in a ditch in Robinson Woods on the city s Northwest Side A community and a nation were shocked In a time when such crimes against children were rare the public was transfixed as local television stations aired stark footage of the first hours of the investigation Life and Newsweek magazines published exclusive stories the following week When Kenneth Hansen was convicted and sentenced for the murders the case was considered solved until questions were raised about Hansen s presumed guilt Shattered Sense of Innocence The 1955 Murders of Three Chicago Children tells the gripping story of the three murdered boys thirteen year old John Schuessler his eleven year old brother Anton and thirteen year old Bobby Peterson and the quest to find and bring to justice their killer Authors Richard C Lindberg and Gloria Jean Sykes recount the bungled 1955 police investigation the failures of multiple law enforcement agencies and the subsequent convictions of Kenneth Hansen in 1995 and 2002 and present new information concerning two suspects overlooked by police for five

decades The authors deftly examine all sides of this tragic story drawing on exclusive interviews with law enforcement agents with horse trainers affiliated with the so called horse mafia and with the man convicted of the murders Kenneth Hansen This intensely intimate account offers a rare glimpse into one community and examines how these atrocious crimes altered public perceptions nationwide *Shattered Sense of Innocence* which is also a story of political controversy a determined federal agent s quest for justice and a community s loss of innocence includes fifty illustrations [Encyclopedia of Television Shows, 1925 Through 2007: A-E](#) Vincent Terrace,2009 This work represents decades of research and television s entire history While documentation regarding cast and personnel is now often found online descriptions of the shows from authoritative sources are still not widely available Terrace fills that gap with this work which covers more than 9 350 shows and constitutes the most comprehensive documentation of TV series ever published Provided by publisher *When Cimarron Meant Wild* David L. Caffey,2023-04-27 The Spanish word cimarron meaning wild or untamed refers to a region in the southern Rocky Mountains where control of timber gold coal and grazing lands long bred violent struggle After the U S occupation following the 1846 1848 war with Mexico this tract of nearly two million acres came to be known as the Maxwell Land Grant *When Cimarron Meant Wild* presents a new history of the collision that occurred over the region s resources between 1870 and 1900 Author David L Caffey describes the epic late nineteenth century range war in an account deeply informed by his historical perspective on social political and cultural issues that beset the American West to this day Cimarron country churned with the tensions of the Old West land disputes lawlessness violence and class war among miners a foreign corporation local elites Texas cattlemen and the haughty Santa Fe Ring of lawyerly speculators And present still were the indigenous Jicarilla Apache and Mouache Ute people dispossessed of their homeland by successive Spanish Mexican and American regimes A Mexican grant of uncertain size and bounds awarded to Carlos Beaubien and Guadalupe Miranda in 1841 and later acquired by Lucien Maxwell marked the beginning of a fight for control of the land and set off overlapping conflicts known as the Colfax County War the Maxwell Land Grant War and the Stonewall War Caffey draws on new research to paint a complex picture of these events and of those that followed the sale of the claim to investors in 1870 These clashes played out over the following thirty years involving the new English owners miners and prospectors livestock grazers and farmers and Native Americans Just how wild was the Cimarron country in the late 1800s And what were the consequences for the region and for those caught up in the conflict The answers pursued through this remarkable work enhance our understanding of cultural and economic struggle in the American West **Image** Mel Odom,2002 An original novel based on the television series created by Joss Whedon
