Geoffrey S. Stewart, 2024-05-31 **Arming the World** tells the story of the American small arms industry from the early 1800 s through the post Civil War era Almost from the beginning the United States produced arms in new and radically different ways relying upon machinery to mass produce guns when others still made them by hand Leveraging their technological advantage American gun makers produced guns with interchangeable parts and perfected new types of small arms ranging from revolvers to repeating rifles The federal government s staggering purchases of arms during the Civil War stimulated the development of fast firing breech loading rifles and metal cased ammunition When in 1865 it became clear that every country in the world had to equip itself with modern weapons the Americans had an overwhelming head start Salesmen from Remington Winchester Colt and Smith Wesson and from lesser known firms too traveled the world marketing their guns dominating or perhaps even inventing the international arms business American gun makers sold rifles and side arms by the millions and cartridges by the billions to great powers restive colonies and fading empires alike Adding a new element to the unstable global balance of power American gun makers affected the course of history **The Wisdom Instructions in the**

Book of Tobit Francis M. Macatangay, 2011 Scholars have shown renewed interest in the Book of Tobit since fragments of

the text were found at Qumran However the wisdom instructions of Tobit 4 have remained largely ignored The present study provides an extensive treatment of this important section reading Tobit s wisdom discourse as a vital component in the literary expression of the author and as a strong indication of the significant role of the sapiential tradition in the world of Diaspora living In the context of Second Temple Judaism Tobit s wisdom discourse is part of an essential avenue for shaping identity and creating a distinct ethos for those outside the land **Manual of Classification** United States.
