Folkways in Soviet Russia Gábor Rittersporn,2014-11-07 Anguish Anger and Folkways in Soviet Russia offers original perspectives on the politics of everyday life in the Soviet Union by closely examining the coping mechanisms individuals and leaders alike developed as they grappled with the political social and intellectual challenges the system presented before and after World War II As Gabor T Rittersporn shows the little tactics people employed in their daily lives not only helped them endure the rigors of life during the Stalin and post Stalin periods but also strongly influenced the system's development into the Gorbachev and post Soviet eras For Rittersporn citizens' conscious and unreflected actions at all levels of society defined a distinct Soviet universe Terror faith disillusionment evasion folk customs revolt and confusion about regime goals and the individual's relation to them were all integral to the development of that universe and the culture it engendered Through a meticulous reading of primary documents and materials uncovered in numerous archives located in Russia and Germany Rittersporn identifies three related responses anguish anger and folkways to the pressures people in all walks of life encountered and shows how these responses in turn altered the way the system operated Rittersporn finds that the leadership generated widespread anguish by its inability to understand and correct the reasons for the system's persistent political and economic dysfunctions Rather than locate the sources of these problems in their own presuppositions and administrative methods leaders attributed them to omnipresent conspiracy and wrecking which they tried to extirpate through terror He shows how the unrelenting pursuit of enemies exacerbated systemic failures and contributed to administrative breakdowns and social dissatisfaction Anger resulted as the populace reacted to the notable gap between the promise of a self governing egalitarian society and the actual experience of daily existence under the heavy hand of the party state Those who had interiorized systemic values demanded a return to what they took for the original Bolshevik project while others sought an outlet for their frustrations in destructive or self destructive behavior In reaction to the system's pressure citizens instinctively developed strategies of noncompliance and accommodation A detailed examination of these folkways enables Rittersporn to identify and describe the mechanisms and spaces intuitively created by officials and ordinary citizens to evade the regime's dictates or to find a modus vivendi with them Citizens and officials alike employed folkways to facilitate work avoid tasks advance careers augment their incomes display loyalty enjoy life's pleasures and simply to survive Through his research Rittersporn uncovers a fascinating world consisting of peasant stratagems and subterfuges

underground financial institutions falsified Supreme Court documents and associations devoted to peculiar sexual practices As Rittersporn shows popular and elite responses and tactics deepened the regime s ineffectiveness and set its modernization project off down unintended paths Trapped in a web of behavioral patterns and social representations that eluded the understanding of both conservatives and reformers the Soviet system entered a cycle of self defeat where leaders and led exercised less and less control over the course of events In the end a new system emerged that neither the establishment nor the rest of society could foresee *Unsafe Haven* Bella Jewel,2018-04-03 Originally published in the USA Today bestselling collection Eye Candy *Unsafe Haven* is a sexy sinister thrill ride from USA Today bestselling author Bella Jewel After escaping an abusive boyfriend Jade finally feels like her life is coming around She works at a safe haven for people who ve had similar experiences and there s a gorgeous handyman Oliver whom she can t stop thinking about But at Sanctuary s Halloween party eerie things start happening and they are starting to feel real Is this an elaborate Halloween prank or has Jade s past come back to haunt her **God's Prophet, God's Servant** John Goldingay,2024-09-24 It is easy to think of Christian ministry as an exercise of our gifts or even finding fulfillment for ourselves In God s Prophet God s Servant John Goldingay examines the portrait of a prophet s ministry found in Jeremiah and the portrait of a servant s ministry in Isaiah 40 55 showing us that in both cases God calls us to a deeper and more demanding view of ministry **44th Publication Design Annual** ,2009

Did You See The Joker? Saikat Baksi,2011 The girl whispered I love you It took a while for the words to sink in his

consciousness When they did he broke into a brief silent smile The trace of dismissive scorn did not miss the girl She repeated I loved you from the moment I saw you there at the corner table He watched her with an amused mocking glint and said in a slurred voice It s okay I paid you already You know he looked exactly like you calm serene simple sitting at that corner hidden in the darkness watching me He was the one who took my virginity He stopped for a moment and listened In a stupor of inebriation it sounded like a true account He said he loved me He used to come every night He bought me this gold chain you see The girl pointed at her neck There was a scar at her neck and there was also a thin gold chain resting on her bare chest Ceaseless flow of life swirls around the bends of tears and laughter vengeance and passion hatred and love Yet it flows nothing can stop it Nothing can block it The eternal flow holds the wavering reflection of the joker Northern Lights Drago Jančar,2001 Josef Erdman arrives in Maribor Slovenia on the eve of World War II Though claiming to be a salesman it soon becomes apparent that Josef has no purpose in the town and that a newcomer can expect nothing but distrust from the townspeople Maribor is full of tensions that are played out in pub brawls and in the rivalry between the Slovenes and Germans at the top of the social hierarchy Against this backdrop of ethnic hatred and personal descent Josef witnesses the fiery shimmer of the aurora borealis and imagines the town has been set aflame an omen of the coming of war The Songs Attributed to Andrieu Contredit D'Arras Andrieu Contredit,1992 Whitehall Joker ,1852 *Rage and Fire* Francine Gray,1995-12-07 Gray draws on Louise Colet s recently discovered journals to present a compelling biography of one of the most fascinating women of the 19th century Colet defied the rules and expectations of a misogynistic society to become an award winning writer and the intimate of such great literary figures as Flaubert Hugo and Musset 16 page b w photo insert

another planet although whether they are friend or foe is unclear at first. With no warning, cyborg robots descend upon Earth and it becomes apparent these visitors are not here to make peace. First they shut down Earth's electrical grid and put themselves into power. Next their real mission begins: the abduction of sixteen-year-old boys for reasons unknown. Among them are three special young men: Mike, Charlie, and Leo. Each is different in their own ways, but they are three of the chosen removed from Earth. With their captors, they travel to a new purple planet. They leave behind the families and friends they love and are forced into a new life of mystery and fear. What do the cyborgs really want, and will humanity survive the disaster of loss?

Cleo Helen Brown, 2010. Helen Brown wasn't a cat person, but her nine-year-old son Sam was. So when Sam heard a woman telling his mum that her cat had just had kittens, Sam pleaded to go and see them. Helen's heart melted as Sam held one of the kittens in his hands with a look of total adoration. In a trice, the deal was done: the kitten would be delivered when she was big enough to leave her mother. A week later, Sam was run over and killed. And not long after, a little black kitten was delivered to the grieving family. Totally traumatised by Sam's death, Helen had forgotten all about the new arrival. After all, that was back in another universe when Sam was alive. Helen was ready to send the kitten back, but Sam's younger brother Rob wanted to keep her, identifying with the tiny black kitten who'd also lost her brothers. When Rob stroked her fur, it was the first time Helen had seen him smile since Sam's death. There was no choice: the kitten, dubbed Cleo, had to stay. Kitten or not, there seemed no hope of becoming a normal family again. But Cleo's zest for life slowly taught the traumatised family to laugh. She went on to become the uppity high priestess of Helen's household, vetoing her new men, terrifying visiting dogs, and building a special bond with Rob, his sister Lydia, Helen, and eventually a baby daughter, Cleo. How an uppity cat helped heal a family is a warm and often funny book about love, loss, and redemption. It's also a book about a small black feline who helped mend a family's broken hearts by sheer force of her cat personality.
