

“The Diary of Anne Frank”

Act II Essay Questions

- 1) In the beginning of Anne Frank’s diary, she wrote these words: “I hope I shall be able to confide in you completely, as I have never been able to do in anyone before, and I hope that you will be a great support and comfort to me.” In an essay, explain how her diary was a great source of comfort to Anne Frank. As you write, consider these questions: In whom would a fourteen-year-old girl usually confide? Under what circumstances would a young girl share her confidences? How do Anne’s circumstances in the attic rooms affect her ability to confide in someone else?
- 2) The Nazis who came for Anne Frank were ordered to leave no record or documentation of what they were doing. When they left Anne Frank’s diary behind, they failed to follow that order. In an essay, explain why Anne Frank’s diary is an important historical document.
- 3) In her introduction to the published version of Anne Frank’s diary, Eleanor Roosevelt said that Anne Frank’s story made her “intimately and shockingly aware of war’s greatest evil—the degradation of the human spirit. At the same time, Anne’s diary makes poignantly clear the ultimate shining nobility of that spirit.” In an essay, comment on the ways in which Anne Frank’s diary shows both the degradation and the nobility of the human spirit.

Representations of Anne Frank in American Literature Rachael McLennan, 2016-08-05 This book explores portrayals of Anne Frank in American literature where she is often invoked if problematically as a means of encouraging readers to think widely about persecution genocide and victimisation often in relation to gender ethnicity and race It shows how literary representations of Anne Frank in America over the past 50 years reflect the continued dominance of the American dramatic adaptations of Frank's Diary in the 1950s and argues that authors feel compelled to engage with the problematic elements of these adaptations and their iconic power At the same time though literary representations of Frank are associated with the adaptations critics often assume that these texts unquestioningly perpetuate the problems with the adaptations This is not true This book examines how American authors represent Frank in order to negotiate difficult questions relating to representation of the Holocaust in America and in order to consider gender coming of age and forms of inequality in American culture in various historical moments and of course to consider the ways Frank herself is represented in America This book argues that the most compelling representations of Frank in American literature are alert to their own
