Everest, H. (2003). Paper and Rock: Living the American Dream. New York: HH and Company.

In this book, the author presents a so-defined experiential research, attempting to determine whether it is highly possible for an individual to live as a minimum wage earner in the USA.

Peters, R. (2005). The Cost of Living in America- Expensive or Not? California: AA Publishing.

As an experienced journalist, Peters is completely aware of all the limitations in her experiment, including ethical implications involved. As such, she presents a clear debate in identifying whether the cost of living in America is considered as expensive or not.

Diethers, O. (2004). Why More People Want to Enter America. Ohio: Stem Press.

The author is forthcoming when it comes to explaining her methods, supplementing all of her experiences with scholarly and experimental research on her workplace, the economy, as well as the documented increasing cost of living in the USA.
