THE PIRATE Kate Hoffmann, Mayu Takayama, 2019-08-01 Ever since she was a young girl Meredith loved hearing her father s stories about local pirates Her fascination with pirates never faded even when she grew up which is why she s now a professor and researcher specializing in pirates She has returned to her hometown for the first time in twenty years to write her thesis but ends up spending a sleepless night in a small cottage because of a huge hurricane that hit the same night she arrived The next day she discovers a man collapsed in the garden This formidable looking man is wearing clothes that look like they re straight out of a history book and he looks just like a pirate **The Circulation of Penicillin in Spain** María

Jesús Santesmases, 2017-12-18 This book reconstructs the early circulation of penicillin in Spain a country exhausted by civil war 1936-1939 and oppressed by Franco's dictatorship Embedded in the post war recovery penicillin's voyages through time and across geographies professional, political and social were both material and symbolic This powerful antimicrobial captivated the imagination of the general public medical practice, science and industry creating high expectations among patients who at times experienced little or no effect Penicillin's lack of efficacy against some microbes fueled the search for new wonder drugs and sustained a decades long research agenda built on the post war concept of development through scientific and technological achievements This historical reconstruction of the social life of penicillin between the 1940s and 1980s through the dictatorship to democratic transition explores political, public medical, experimental and gender issues and the rise of antibiotic resistance
