Andy Rooney Years Of Wisdom And Wit:

Andy Rooney Andrew A. Rooney, 2009 The 60 Minutes commentator brings together his greatest pieces of writing spanning a half century **Andy Rooney: 60 Years of Wisdom and Wit** Andy Rooney, 2009-04-30 Andy Rooney is a classic chronicler of America and her foibles Over more than six decades of intrepid reporting and elegant essays Rooney has told it to us straight and without a hint of sugar coating but with more than a grain of truth and humor Andy Rooney 60 Years of Wisdom and Wit brings together the best of more than a half century of work including long out of print pieces from Rooney's early years in an unforgettable celebration of one of America's funniest men With selections from his beginnings as a correspondent for The Stars and Stripes during WWII to his arrival at CBS to his more than thirty year stint on 60 Minutes this book is a must have for any Rooney fan **Andy Rooney** Charlie Charlie, Andrew A. Rooney, 2010-10 Chairs Neat people Ugliness War Over six decades of intrepid reporting and elegant essays Andy Rooney has proven a shrewd cultural analyst unafraid to question the sometimes ridiculous often surprising facts of our lives Rooney's great gift is telling it straight without a hint of sugar coating but with more than a grain of truth and humor His take on America It's just amazing how long this country has been going to hell without ever having got there On food there's more dependable mediocrity than there used to be The Socialite Who Killed a Nazi with Her Bare Hands and 143 Other Fascinating People Who Died This Past Year William McDonald, 2012-10-30 Returning for its second year but reimagined in a new impulse format with a new title new cover new mission and new sensibility here is The Socialite Who Killed a Nazi with Her Bare Hands a pithier quirkier collection of the 164 best page turning obituaries from The New York Times Written by top journalists each story is a gem of a bio a full life in miniature There's the famous Steve Jobs including the story of how he was reunited with a sister he never knew the novelist Mona Simpson And the almost famous Ruth Stone a poet who worked in relative obscurity until she won the National Book Award at the age of 87 The behind the scenes like Arch West inventor of the Dorito who pulled America's snacks out of the 1950s doldrums and created a 5 billion a year product and the out there like self styled anarchist and maverick artist and real estate mogul and museum director Bob Cassilly who died at the controls of his bulldozer while building Cementland in St Louis And because of the chronological organization of the book the stories one next to the other make for an addictive as salted peanuts book Mark O Hatfield the celebrated antiwar Republican senator from Oregon next to Nancy Wake of the title the impoverished New Zealander who grew up to become a high society hostess and heroine of the French Resistance the socialite who did indeed kill a Nazi with her bare hands **The iPINIONS Journal** Anthony Livingston Hall, 2017-04-04 ANTHONY L HALL takes aim at the global events of 2016 with a unique and refreshing perspective Here are some topics in this twelfth volume of his writings Hillary Calling Half of Trump's Supporters a Basket of Deplorables Hillary was only half right But the most troubling thing is not how deplorable they are it's how willing they are to elect an even more deplorable man as president of the United States The latter is what I find incomprehensible unforgivable

Brexit The irony seems lost on both sides in this Brexit debate that Britain poses a far greater threat to the EU if it remains After all Britain planted the seeds of disintegration years ago when it began negotiating all kinds of opt outs from EU legislation and treaties Brazilians Protesters Cost of Rio Olympics Brazilians need only point to the poisoned chalice Athens 2004 turned out to be for the Greeks After all the debt hangover from those Games not only triggered the EU financial crisis of 2010 but austerity measures to service that debt have many once proud middle class Greeks now living like favela dwelling Brazilians Report on College Coaches Raking in Millions These salaries only validate my longstanding contention that college coaches are using the free labor of student athletes to live like plantation owners The only precedent for this is the Founding Fathers many of whom were in fact plantation owners preaching about all men being created equal while owning slaves VP Elect Pence Hailing Trump for Accusing the FBI of Corruption Nothing could be more foreboding than the willingness of no less an establishmentarian than Pence sacrificing democratic institutions and political norms at the altar of Trump's ego affecting that constipated countenance of sincerity as he does so J K Rowling merchandising Harry Potter like Mickey Mouse I admired her because she helped millions of kids discover the love of reading But my admiration waned when she started exploiting that love like a drug dealer exploiting a junkie's addiction

Business Wit & Wisdom Richard Zera, 2005-05
