Animal Communication The Essential Guide For Animal Communicators Book One:

Animal Communication Holly Davis, 2014-12-19 Animal Communication is an in depth and complex subject So often I am contacted by Communicators that are able to hear animals and yet feel stuck in finding away forwards with it This may due to the way in which they have been taught to a lack of knowledge in the areas that are so important for a successful communication This has happened so often that I thought it time to write a book that helps to outline and bring to light some of these issues What they are what we can do about them and to identify them in the first place in order to help other Animal Communicators to be able to move forward with further knowledge and more confidence This book is the first in a series of books written for Animal Communicators both professionals and beginners alike [The Animal Communicator's Guide](#)

[Through Life, Loss and Love](#) Pea Horsley, 2014-06-02 He was just a pet people sometimes say and yet our animal companions are so much more to us than this and we may feel we have nowhere to turn when faced with their loss Millions of people have sought answers to questions like What happens to animals when they die What is life like for them on the other side and Will they ever come back to me Now for the first time internationally renowned animal communicator Pea Horsley shares ground breaking true stories which reveal animals thoughts and feelings on life death and life after death By hearing their views we come to understand that animals are spiritual beings and great teachers and that we are all connected This collection of inspirational tales is woven together with Pea s moving story of her own dog Morgan and his physical struggle his awareness of the right time to go and his insights and support from beyond the grave **Animal Communication** Akshaya V.
