

Animal Farm - Chapters 1-4

Character	Characteristics
Old Major	Old, wise, respected, and almost transcendent among the animals. Old major is an old boar who represents Karl Marx. Marx founded the ideology of communism, but much like major, never saw the fruits of his labor. He serves as a rallying point and catalyst for the revolution, but importantly dies, leaving room for Napoleon and Snowball to fill a power vacuum with support that Major created.
Snowball	Snowball is a young pig who represents Leon Trotsky. His youth and intelligence make him a part of a group that wishes to genuinely carry out the revolution's intentions truthfully.
Napoleon	Napoleon is the 'antagonist' of Animal Farm and represents Joseph Stalin. Napoleon is cunning and intelligent, and at the beginning originally helps with the revolution, aiding snowball. However, it is soon apparent that Napoleon is power hungry, and will soon enact measures of force to secure the newly found power he has found. In many ways he is will become a worse oppressor than Mr. Jones, he is not as easily attackable, and is almost immune to criticism due to his role in the revolution. He represents a new, worse evil.
Squealer	Squealer is a young, clever pig who uses his ability for words and persuasion to spread messages, particularly for Napoleon. His main function is to represent the propaganda present in many communist nations.
Mr Jones	Mr. Jones is the original owner of the farm, and the animals' oppressor; he represents Tsar Nicholas and the general capitalist authority. We see Jones is a mad drunk, who uses his power to harass the animals. Ultimately this is his undoing, however he still lingers through the farm after the revolution by remaining as a scare tactic employed by Napoleon.

Bahanzi,V. Halas,F. Maroto-Molina,2023-08-14 Precision livestock farming PLF technologies have been heavily promoted in the past but the implementation of these technologies is not easy Numerous technical challenges need to be solved before PLF technologies will supply the desired information in a reliable and consistent way Farm implementations regularly encounter difficulties The practical experience associated with these technologies do not always match their theoretical potential 93 authors from 16 countries were asked to report on the actual practical experiences technology developers and users had under farm conditions to try and understand this difference between practice and theory This book aims to eliminate the mystery behind the Smart PLF tools and presents the hard facts reported by individuals that have practical experience using these technologies The book also explores various aspects of PLF including the 1 challenges associated with developing and using various technologies 2 the importance of training and ethical aspects of PLF tools and 3 the difficulties related to commercialisation of PLF systems We hope that the honest presentation of the pros and cons of PLF management tools will help the supporters of precision farming to better use and interact with modern technologies and thus sustain viable livestock production worldwide Laboratory Animal Welfare Kathryn Bayne,Patricia V. Turner,2013-09-02 Laboratory Animal Welfare provides a comprehensive up to date look into the new science of animal welfare within laboratory research Animals specifically considered include rodents cats and dogs nonhuman primates agricultural animals avian animals and aquatic animals The book examines the impact of experiment design and environment on animal welfare as well as emergency situations and euthanasia practices Readers will benefit from a review of regulations and policy guidelines concerning lab animal use as well as information on assessing animal welfare With discussions of the history and ethics of animals in research and a debate on contemporary and international issues this book is a go to resource for laboratory animal welfare Our World's Story ,1997 **Revised Statutes of New Jersey, 1937, Effective December 20, 1937** New Jersey,1938 **Montana Code Annotated** Montana,2017 *General*
