Evidence Check 1 Great Britain. Parliament. House of Commons. Select Committee on Science and Technology, 2009 This report HCP 44 session 2009 10 ISBN 9780215542663 from the Science and Technology Committee looks at literacy programmes evidence check and concludes that expectations by the Department for Children Schools and Families of the quality of the evidence base for reading programmes are worryingly low It urges the Government to commission randomised controlled trials RCTs The Committee also states it is particularly concerned about the quality of evidence demonstrating cost effectiveness of different programmes and further recommends that the Government reviews its guidelines on RCT design it says even Wikipedia is more thorough and informative The Committee also concludes that the Government s focus on early literacy interventions and phonics based teaching is based on the best available evidence the use of Reading Recovery is based on a lower quality of evidence than the Committee is comfortable with and that the decision to introduce Reading Recovery nationally is not evidence based The Committee further expressed alarm that there was a complete lack of randomised controlled trials using standardised test scores for the Reading Recovery programme in the UK school system before national implementation of the programme

Parliamentary Debates (Hansard). Great Britain. Parliament. House of Commons, 2006 *Unlocking Speaking and Listening* Pamela Hodson, 2011-10-07 Speaking and listening are key elements of the primary English National Curriculum they are also fundamental to children s language development and learning The need for teachers to develop children s talk in its own right and also to use talk as a means of learning is central to effective primary practice yet it is an area in which teachers often have little confidence The contributors offer creative and practical advice on teaching speaking and listening from the early years through Key Stages 1 and 2 underpinned by theory into the approach from publisher description

Tourism in Development Peter U.C. Dieke, Brian E.M. King, Richard A.J. Sharpley, 2020-11-20 Over the last fifty years tourism has become firmly established as a development option around the world Commensurate with this the study of tourism s developmental role has also expanded significantly There now exists a broad understanding of the policies and processes opportunities and challenges that apply to tourism s potential contributions to development As the tourism environment now faces numerous challenges and transformations it is timely to reflect on contemporary understandings of the relationship between tourism and development and to consider future directions This thought provoking volume challenges the orthodoxy of tourism and development highlights past and current events and considers longer term repercussions and developments It will be a relevant and enduring resource for academics and undergraduate and postgraduate students in tourism
