This Far By Faith Faith Fowler,2014-09-27 Through reports nationwide including the Wall Street Journal and TV news Americans are discovering Faith Fowler s ideas for transforming lives in Detroit s Cass Corridor Known for her deep faith and creative ideas Faith serves as one of the city s leading pastors and as a nonprofit entrepreneur As a co founder of a wide array of Cass startups Faith and her Cass community are turning one of the nation s most impoverished urban centers into a gold mine of talent and resources Now Faith Fowler shares dozens of inspiring true stories of men and women who found new hope and were able to join in building a healthier community through Cass Mitch Albom says The world waits for people like Faith Fowler This memoir like the author herself is funny poignant moving beautifully staged and oozing with a commitment to a simple yet profound idea that other people are worth the trouble From turning trash heaps of old tires into a stylish line of sandals to a host of other startup businesses Faith s work at Cass already has drawn nationwide attention Headlines have chronicled her innovative ideas and her infectious belief that each and every life is valuable despite the ravages of homelessness addiction and violence In this book she shares the best of this inspiring community through stories of lives renewed and transformed This is the first book published by Faith Fowler s latest entrepreneurial venture Cass Community Publishing House is the first interfaith publishing house established in the city of Detroit in more than two centuries since Father Gabriel Richard a Catholic priest and co founder of the University of Michigan hauled the first printing press into Detroit and invited his Presbyterian friend the Rev John Monteith to publish with him Like Richard and Monteith before her Faith Fowler s work is one reason that Detroit is recognized as a center of hope for those who believe peace is possible in our ever more diverse world Mitch Albom urges Everyone religious or not should read these pages

Admirals of the World William Stewart,2014-11-26 This work provides biographies of more than 500 men and women who have served as admiral vice admiral or rear admiral While officers from the U S British French and Japanese navies make up the bulk of the work officers from 22 countries including Australia Canada Germany India Italy the Netherlands Russia and Spain are also included The main criterion for inclusion is that each person must have actively served in the rank of at least rear

admiral but not necessarily in enemy action This effectively rules out people who were granted the rank on retirement as a courtesy title or posthumously The book also includes lists of admirals organized by nationality and by year of birth

Marking Time Edward Town, Angela McShane, 2020-11-24 An engaging encyclopedic account of the material world of early modern Britain as told through a unique collection of dated objects The period from 1500 to 1800 in England was one of extraordinary social transformations many having to do with the way time itself was understood measured and recorded Through a focused exploration of an extensive private collection of fine and decorative artworks this beautifully designed volume explores that theme and the variety of ways that individual notions of time and mortality shifted The feature uniting these more than 450 varied objects is that each one bears a specific date which marks a significant moment for reasons personal or professional religious or secular private or public From paintings to porringers teapots to tape measures the objects and the stories they tell offer a vivid sense of the lived experience of time while providing a sweeping survey of the material world of early modern Britain

Liberal Dreams and Nature's Limits James T. Lemon, 2008-05-14 On the agricultural frontier and through technological progress Europeans and others and their descendants have sought to fulfill their dreams of improvement Through businesses governments and other bodies city dwellers expedited these desires by organizing settlements communications trade finance and manufacturing In turn cities grew mightily To assess the present condition of cities *Liberal Dreams and Nature's Limits* focuses on five large North American cities at various times in the past Philadelphia about 1760 New York 1860 Chicago 1910 Los Angeles 1950 and Toronto 1975 Life inside these cities specifically the economy society and politics public services land development and the geographies of circulation workplaces and residential districts is the central concern of this book Another concern is drawing contrasts and similarities between the American and Canadian urban experiences North Americans most now living in cities face the challenge of a social frontier how to maintain civility in a near stagnant economy Despite recent advances in cyberspace nature has imposed limits on technical progress defined by speed convenience and comfort Promethean gains

through creative destruction are no longer possible Increased preoccupation with money status and safety suggests that the striving inspired by liberalism is still appealing Yet without growth liberal dreams cannot be fulfilled To ensure work income equity and a degree of freedom in thought and action citizens and leaders in both countries will have to commit themselves as never before to managing fairness through social democracy Sustainable cities are not possible otherwise *The Maryland Campaign of September 1862* Ezra Ayers Carman,2008 Completed in the early 1900s The Maryland Campaign of September 1862 is still the essential source for anyone seeking understanding of the bloodiest day in all of American history As the U S War Department s official expert on the Battle of Antietam Ezra Carman corresponded with and interviewed hundreds of other veterans from both sides of the conflict to produce a comprehensive history of the campaign that dashed the Confederacy s best hope for independence and ushered in the Emancipation Proclamation Nearly a century after its completion Carman s manuscript has finally made its way into print in an attractively packaged one volume edition painstakingly edited annotated and indexed by Joseph Pierro This edition the first to publish the entire Carman manuscript including the fifteen appendices is designed for ease of use with standardized punctuation and spelling and conveniently footnoted explanations wherever necessary The Maryland Campaign of September 1862 is a crucial document for anyone interested in delving below the surface of the military campaign that forever altered the course of American history and is still the only complete edition of Carman s work on the market Due to an unfortunate case of mistaken identity the man currently appearing in the frontispiece of *The Maryland Campaign of September 1862* is not the actual Ezra Carman but someone who looks remarkably similar to him The real Mr Carman can be found at <http://www.loc.gov/pictures/item/cwp2003001783> PP We apologize for the mistake and will correct this error in further printings *Field & Stream* ,1976-11 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations

Evangelicals in the Royal Navy, 1775-1815 Richard Blake,2008 Religious activity flourished in the eighteenth century navy this book examines the reasons why and its manifestations The Evangelical Admiral Gambier notorious for distributing tracts to his fleet in a theatre of war is commonly seen as a misfit in a fighting service that had scant time for fervent piety In fact the navy of the Revolutionaryand Napoleonic Wars showed a level of religious observance not seen since the days of Queen Anne Evangelical laymen provided one dynamic for this change concentrating first on public worship they moved to active proselytism insearch of converts amongst sailors and in a third phase developed a loose network of prayer groups in scores of ships uniting officers and seamen in voluntary gatherings that transcended rank This book explores the effect this new piety had on discipline and human governance on literacy on the development of chaplains ministry and on the mindset of the officer corps It also looks at the larger question of how its values were absorbed into the ethos of the navy as a whole It draws on sources both familiar and unusual logs letters minutes memoirs tracts and sermons Regulations to explain how

evangelical influence affected officer corps lower deck and Admiralty showing how a movement that began by promoting public worship at sea became an agency for mass evangelism through literature preaching and off duty gatherings where officers and men met for shared Bible reading and prayer a mere decade after the great Mutinies
