[Free Money Investing Strategies: Step by Step Start Up Guide for Beginners + Market Crash Survival Guide 101](#) Mandi Ward,2020-04-24 Morpheus knew before all of us did He knew the reality we created for ourselves is a lie We are being used We are the cogs in someone else's plan Well friends I'm here to tell you that your SALARY or hourly rate is the BRIBE they give you to forget your dreams Are you going to keep sleeping Are you going to take a different path that freaks you the fuck out The time to

decide is right now I don't need to tell you the world is falling apart but do you see what a virus is doing to us humans Do you know the way each country responds Do you have toilet paper I am in no way making an argument for mutiny I love my country I wouldn't want to live anywhere else except on a beach with a fishing rod and a never ending drink but that's another story My goal is to open one of your eyes to investing Hopefully you will open the other eye Then maybe with two eyes open you can create your path What does this mean for investing Simple what goes up must come down If you are juggling flaming knives when one is tossed up another is aimed at you Now picture a trusted friend helping you with these flaming knives Their job is to catch the knives and toss them in cold water to put out the flame As it turns out you can do this same thing with flaming stocks and their icy bitter twins These types of stocks are played against each other When one is up the other is down Play the downturn loser not the winner Why buy the inverse stock that is running up You probably think it is a done deal Buy the winner hitting 15% today Hold till tomorrow BUST Often new traders have timing issues that cause them to enter into a position that suddenly drops after purchase Instead watch the inverse stock fall off the face of a cliff Wait until the RSI is dirty low before buying in Wait some more on purchasing the inverse until you see the running up stock flip aka turn red or decrease in gains The inverse chart will begin to show green tickers on the one day one minute chart DO NOT PLAY INVERSE ETF'S ON ANYTHING BUT A DAY TRADE You will lose everything and be stuck bad holding a L O S E R for a long time I've done this Don't do this it sucks watching a 100 stock go to 30 You can cut your losses and take it in the rear Or bag hold for who knows how long When investing you want to wait for the potential purchase to show you its actual value A Floridian will buy shrimp off of some dude's pickup truck but we won't dangle our feet off a dock because we know the hidden dangers under the water Just as in investing there are dangers you can only see when you truly take the time to look Or you learn first hand when you get bit in the ass by a stock you had no business buying without a clear cut plan of entry and exit You must learn to see the stocks for what they are a shell game

Now That's Funny! Peter Desberg, Jeffrey Davis, 2017-06-07 There is a feeling of pure delight that comes from laughing out loud while watching a hilarious movie or a TV show Yet as funny as these lines may be they are the work of people you will never see The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper And while few of us are privy to this fascinating process for writers Peter Desberg and Jeffrey Davis the challenge of observing and understanding how comedy is born has culminated in a unique new book Now That's Funny Desberg and Davis provide an intimate look into the minds of twenty four of Hollywood's funniest comedy writers who

have given us such shows as Saturday Night Live Monk Everybody Loves Raymond The Simpsons Frasier Maude Home Improvement Valerie Modern Family Cheers There s Something about Mary The Honeymooners Suddenly Susan Newhart Sabrina the Teenage Witch Archie Bunker s Place The Tracey Ullman Show Wings Who s The Boss and more How do you get to see the creative wheels turn The authors premise was simple Using a Q and A format they provided each writer with a story idea and let them run with it Each of the writers was told there were no rules no boundaries and no limits Because everyone started with the same concept the authors could see how some writers jumped in and began creating while others asked lots of questions how some writers stuck closely to the premise while others turned it on its head What emerges is an entertaining look illuminating and hilarious in turn at the creative process behind hit TV shows and movies If you re one of the millions who have enjoyed watching the work of comedy writers here is an opportunity to go behind the scenes and see the madness unfold Now that s funny
