One thing that is great about Amazon is that it is like one-stop shopping. You send them to the site, they buy your advertised item, and then they shop some more; you get paid. Or if they leave the site but come back within 24 hours, you still get your commission. So let's look at an example: You send a potential customer to the site because they are going to buy a book you promoted. When they get there, they not only find and buy the book, they buy a headset and then finish their purchase with a new phone. Now you'll get paid commission on all of those items. Whether you are new to affiliate marketing or have been around for some time, if you find yourself struggling, you have just landed at the right place because by the time you are finished reading this article, you will be ready to maximize your income with the right affiliate program. It is time you learned why the Amazon Affiliate Program is better than the others. **Make Money Online for Beginners & Dummies** Giovanni Rigters, Are you looking for the best way to supplement your monthly income without having to get another job?
