The NGO Factor in Africa Maurice N. Amutabi, 2013-09-13 The book breaks new ground in understanding the role of Non Governmental Organizations NGOs in Africa The book historicizes NGOs using the Rockefeller Foundation as a case study looking at its tripartite paradoxical roles as an agent of colonialism globalization and development underdevelopment It deploys interdisciplinary devices to show how the RF projects have engaged in marginalization patronage and othering of African values and customs and the ensuing controversies Using globalization postmodern and postcolonial theories the book deconstructs the long held myths about NGO inviolability and opens ground for understanding their strengths It interrogates sites of contestation apprehension and possibilities that the RF has produced Using RF projects it looks at structures of hegemony race power class and gender that the RF has created The book illustrates the extent to which the RF has been instrumental in spreading capitalism imperialism in economic political cultural and social realms through globalization It desists from the grand narrative approach that has dominated African history in the past but instead gives agency and voice to those that have previously been marginalized

Thus Until Emilia Ilieva, Reuben Matheka, 2025-08-04 Thus Until A History of Egerton University is a thorough historical chronological and well researched account of Egerton University from a whites only college when it

started in 1939 through to the expansion it has experienced over the years culminating in being a full university More than any other university in Kenya Egerton has a long and colourful history but like all the other universities it has suffered from the political economic and financial challenges of the time especially since the double intake of the 1990s Chapter One provides the required background to the study highlighting agricultural and educational policies and steering away from the Happy Valley hype so characteristic of the period The reader will learn about the Egerton family in Chapter Two and particularly about Lord Egerton himself and the colonial circumstances within which he lived The chapter dispels some of the popularly held myths about him Chapter Three deals with the beginnings of the college and the various structural and curriculum experiments tried out and the kind of enrolment and students it experimented with as an all white establishment The chapter ends with Africans beginning to agitate for change With great attention to detail the later chapters put the university in a broader local and international context thereby increasing its relevance to society A History of Egerton University though heavily footnoted and with a detailed bibliography is written in a simple easy flowing and accessible style

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
