R. Edward Freeman's Selected Works on Stakeholder Theory and Business Ethics Sergiy D. Dmytriiev, R. Edward Freeman, 2023-09-20 Ed Freeman's influential ideas on stakeholder theory business ethics humanities and capitalism became foundational in the management field and turned around the mainstream thinking about business Stakeholder theory developed by Freeman and others posits that business is not as much about profits but rather about creating value for its stakeholders including employees customers communities financiers and suppliers The relationship between a company and its stakeholders is the essence of business and should be of utmost attention to its managers Managers should avoid resorting to trade offs by prioritizing one stakeholder group e.g. shareholders over the others and strive to run their companies in the interests of all stakeholders The idea of pursuing the interests of all stakeholders became revolutionary in

management and went far beyond the management field expanding to Law Health Care Education Public Policy and Administration and Environmental Policy This book is a collection of Ed Freeman s most influential and important works on stakeholder theory as well as business ethics humanities and capitalism **12 Practice Tests for the SAT 2008**
