With a roll of freezer paper and more than two dozen animal patterns, add interest to your quilts and have fun making them too. These delightfully realistic silhouettes make wonderful continuous line quilting patterns. Position the animals head to tail and hand or machine quilt them, or applique the animals in a circle to reveal exciting secondary patterns. Try reversing the images to make the animals move in different directions. Add other designs like leaves, vines, or smaller animals between larger designs. Enlarge or reduce the designs on a computer scanner or photocopy machine.
