Christopher Newfield, 2018-10-01 A remarkable indictment of how misguided business policies have undermined the American higher education system Winner of the CHOICE Outstanding Academic Title of the Choice ACRL Higher education in America still thought to be the world leader is in crisis University students are falling behind their international peers in attainment while suffering from unprecedented student debt For over a decade the realm of American higher education has been wracked with self doubt and mutual recrimination with no clear solutions on the horizon How did this happen In this stunning new book Christopher Newfield offers readers an in depth analysis of the great mistake that led to the cycle of decline and dissolution a mistake that impacts every public college and university in America What might occur he asserts is no less than locked in economic inequality and the fall of the middle class In *The Great Mistake* Newfield asks how we can fix higher education given the damage done by private sector models The current accepted wisdom that to succeed universities should be more like businesses is dead wrong Newfield combines firsthand experience with expert analysis to show that private funding and private sector methods cannot replace public funding or improve efficiency arguing that business minded practices have increased costs and gravely damaged the university's value to society It is imperative that universities move beyond the destructive policies that have led them to destabilize their finances raise tuition overbuild facilities create a national student debt crisis and lower educational quality Laying out an interconnected cycle of mistakes from subsidizing the private sector to the poor get poorer funding policies Newfield clearly demonstrates how decisions made in government in the corporate world and at colleges themselves contribute to the dismantling of once great public higher education A powerful hopeful critique of the unnecessary death spiral of higher education *The Great Mistake* is essential reading for those who wonder why students have been paying more to get less and for everyone who cares about the role the higher education system plays in improving the lives of average Americans **From Here to Equality, Second Edition** William A. Darity Jr., Andrea Kirsten Mullen, 2022-07-27 Racism and discrimination have choked economic opportunity for African Americans at nearly every turn At several historic moments the trajectory of racial inequality could have been altered dramatically But neither Reconstruction nor the New Deal nor the civil rights struggle led to an economically just and fair nation Today systematic inequality persists in the form of housing discrimination unequal education police brutality mass incarceration employment discrimination and massive wealth and opportunity gaps Economic data indicates that for every dollar the average white household holds in wealth the average black household possesses a mere ten cents This compelling and sharply argued book addresses economic injustices head on and make the most comprehensive case to date for economic reparations for U S descendants of slavery Using innovative methods that link monetary values to historical wrongs William Darity Jr and A Kirsten Mullen assess the literal and figurative costs of justice denied in the 155 years since the end of the Civil War and offer a detailed roadmap for an effective reparations program including a substantial payment to each documented U S black descendant of slavery This new edition features a new foreword addressing the latest developments

on the local state and federal level and considering current prospects for a comprehensive reparations program **Minutes of the Committee of Council on Education Correspondence, Financial Statements, Etc., and Reports by Her Majesty's Inspectors of Schools** Great Britain.
