Delves, 2023-01-30 This open access book presents multiple disciplinary perspectives on the challenges and opportunities for sustainable development in the South African mountain city of Phuthaditjhaba These challenges are embedded in the complex environmental socio cultural and political contexts of the region Established as the capital of the QwaQwa homeland under Grand Apartheid this city is now home to between 400 000 700 000 people but in many areas lacks formal infrastructure and services Each chapter of this volume addresses a different aspect of the city's development and all take the UN Sustainable Development Goals as a common framework to guide their reflections on potential sustainable futures for Phuthaditjhaba While the circumstances in Phuthaditjhaba will be familiar to many researchers of informal and growing cities in developing regions the mountain setting of the city brings its own set of challenges and opportunities linked to the rugged and steep terrain remoteness and natural resources This book serves to showcase the diverse research taking place in this emerging mountain city and provide reflections on how a sustainable

future can be ensured for its environment and inhabitants

A Global Synthesis of the Ordovician System: Part 2 T.

Servais, D.A.T. Harper, B. Lefebvre, I. G. Percival, 2023-06-08 The Ordovician was one of the longest of the geological periods characterized by major magmatic and tectonic activity an immense biodiversification swings in climate and sea levels and the first Phanerozoic mass extinction A Global Synthesis of the Ordovician System is presented in two volumes in The Geological Society Special Publications Whereas the first volume SP532 concentrates on general aspects and a synthesis of the Ordovician geology of Europe this volume SP533 includes reviews of Ordovician successions of most other parts of the world The classic successions of the Ordovician basins of North America are presented as well as those of China where several of the Ordovician Global Boundary Stratotype Sections and Points are defined The volume also includes syntheses of the Ordovician geology of Africa South America most regions of Asia from the Near to the Far East along with Central Asia as well as Australia New Zealand and Antarctica

Feminist Responses to Injustices of the State and Its Institutions

Kym Atkinson, Úna Barr, Helen Monk, Katie Tucker, 2024-05-21 From the denial of abortion rights in Ireland to sexual violence against British South Asian women in England the state and its institutions continue to fail women This book offers a counter narrative to contemporary injustices and a persistent culture of victim blaming The academic and activist contributions to this collection explore contemporary research areas and pursue new discursive directions in order to present a feminist criminology built on feminist praxis for the 21st century Providing a direct challenge to regressive and ineffective theory policy and practice this book resists the politics of gendered victimization through extending feminist analyses of the state and documenting interventions into contemporary injustices
