Race Talk in the South African Media Gawie Botma,2020-01-06 This book makes a very significant timely and relevant contribution to a very topical subject of immense local as well as global interest Through tracing the evolution of media discourse about race and racism which the author prefers to call race talk the writer prised open a window to a panoramic variegated and yet nuanced perspective of the perennial South African race question etched across the vistas of time and memory since Jan Van Riebeeck set up the first European settlement as a refreshment station for the Dutch East India Company at the Cape of Good Hope in 1652 up to the time of writing this book It lends a fresh lens through which to re read South African society not only to a studious scholar of media history but also to anybody interested in the general history of South Africa Dr Zvenyika Mugari WITS This book is based on meticulous archival searching presented in a new fresh and highly engaging way This is a book based on evidentiary led scholarly principles that has lucidity as a goal Unlike so many scholarly works which are turgid and very difficult to read because they are written in restricted codes meant only for other academics this manuscript is

wonderfully lucid accessible and a pleasure to read The prime readership will be academics but its lucidity makes it appealing beyond a purely academic readership hopefully reaching media professionals and students also and influencing debates on race policy This is how academic books in fact should be written Prof Keyan Tomaselli University of Johannesburg The author has embarked on a very difficult and complex task of understanding the race construct in the South African media context This is a highly contested and contentious space in South Africa and it is particularly arduous for a white middle class middle aged Afrikaans male to navigate this space The author has however eloquently managed to pilot this fine line of controversy He offers a balanced view of the belligerent debate without treading insensitively on the toes of protagonists and at the same time challenges prevailing views Andr Rose National Cancer Institute **Fees Must Fall** Susan

Booyesen, 2016-10-01 This book explores the student discontent a year after the start of the 2015 South African FeesMustFall revolt FeesMustFall the student revolt that began in October 2015 was an uprising against lack of access to and financial exclusion from higher education in South Africa More broadly it radically questioned the socio political dispensation resulting from the 1994 social pact between big business the ruling elite and the liberation movement The 2015 revolt links to national and international youth struggles of the recent past and is informed by black consciousness politics and social movements of the international left Yet its objectives are more complex than those of earlier struggles The student movement has challenged the hierarchical top down leadership system of university management and it s double speak of professing to act in workers and students interests yet entrenching a regressive system for control and governance University managements while on one level amenable to change have also co opted students into their ranks to create co responsibility for the highly bureaucratised university financial aid that stands in the way of their social revolution This book maps the contours of student discontent a year after the start of the FeesMustFall revolt Student voices dissect colonialism improper compromises by the founders of democratic South Africa feminism worker rights and meaningful education In depth assessments by prominent scholars reflect on the complexities of student activism its impact on national and university governance and offer provocative analyses of the power of the revolt
