The Improviser's Classroom Daniel Fischlin, Mark Lomanno, 2025-01-17 The Improviser's Classroom foregrounds how improvisation can facilitate the emergence of pedagogical approaches in which research performance and activism are interactive and cross referential while challenging orthodoxies of educational practice and institutional mandate

Citizenship Utopias in the Global South Henri Onodera, Martta Kaskinen, Eija Ranta, 2025-01-23 Citizenship Utopias in the Global South is an edited collection of empirical research that explores emergent forms of activism in Africa Asia and Latin America in times of multiple crises At the intersection of hope and disillusionment the diverse and thought provoking chapters investigate emerging forms of activism in the Global South including youth activisms anti racism struggles feminist initiatives online dissent and Indigenous movements In the 2020s many parts of the world are witnessing contradictory processes of popular claims to rights livelihoods and social justice and subsequent forms of populist authoritarianism and the securitization of civil society Previously hopeful calls for dignity democracy and social justice through protesting strikes civil society campaigns legal reforms and elections for example have been met with disdain and civic disengagement This book investigates the re imagination and pursuit of citizen activism in such times of popular disillusionment It explores citizenship utopias as social imaginaries that are enacted and that articulate an ideal social order or democratic polity with ideal forms of experiencing citizenship Its chapters interrogate conventional approaches to citizenship by introducing a nuanced and empirically grounded exploration of the complex ways in which people experience negotiate and engage in the societal changes that they aspire towards The examination of citizenship utopias outlines contemporary signals for transformative futures and their possibilities The book undertakes a fresh effort at contributing to the shifting terrain of critical development studies political anthropology political sociology and decolonising scholarship by engaging in discussions about citizenship activism disillusionment and future societal alternatives in times of multiple global challenges The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution CC BY 4.0 license

The Scientific Imagination in South Africa William Beinart, Saul Dubow, 2021-05-20 An innovative three hundred year exploration of the social and political contexts of science and the scientific imagination in South Africa

The South African Tradition of Racial Capitalism Zachary Levenson, Marcel Paret, 2024-06-28 This book documents the emergence and development of the theory of racial capitalism in apartheid South Africa It interrogates the specificity of this theory in the South African context and draws lessons for its global applicability Racism and capitalism have a long history of entanglement Nowhere is this more evident than in South Africa where colonial and apartheid regimes used explicit systems of racial hierarchy to shore up profit It is therefore no surprise that South Africa has represented a key site for thinking about the role that racism plays in shaping state policy labor markets patterns of capital accumulation and working class struggle Illuminating these dynamics this volume develops a distinctive South African tradition of thought about the

relationship between racism and capitalism The South African Tradition of Racial Capitalism contributes to a burgeoning literature on the concept of racial capitalism the origins of which many commentators trace back to apartheid South Africa It pays particular attention to the crucial role of anti apartheid activists as theorists whose important insights remain relevant for scholars and activists around the globe This book was originally published as a special issue of Ethnic and Racial Studies

The Revolutionary Road to Me Chetan Bhatt, 2024-12-03 How can the left be credible when it can't decide what a woman is How can antiracists fight for equality if they promote fictions about race If identity politics is the answer why are so many Western left organizations being damaged by it As the culture wars rage this compelling book examines why much of the Western political left has foundered because of identity politics Identity issues have mired many good organizations in intractable conflicts and deflected them from their purpose In ignoring poverty and inequality the Western left has lost its way Meanwhile powerful social movements from the past black women's gay and lesbian are reduced to corporate slogans Attuned to the needs of activists and academics this book offers intelligent explanations for how we got here It examines serious problems with antiracism transgender rights activism and the work of LGBTQ groups In showing how identities are outcomes of social and institutional forces it argues that technofinancial capitalism uses identity politics to mould new labour processes for the Western middle class while accelerating economic inequality Clearing a path through the vagaries of identity politics the book offers arguments the Western left must face amidst formidable far right and right wing authoritarianism climate emergency and severe inequalities

The Spurs Alphabet Bob Goodwin, 2017 A complete record of every player to have made a first team appearance for Tottenham Hotspur Football Club
