Applications To Ukzn For 2016:

Critical Review, Vol. 12, 2016 S. Broumi, M. Talea, A. Bakali, F. Smarandache, A. Salama, H. E. Khalid, A. K. Essa, M. Ali, A. Elhassouny, The following papers have been published Interval Valued Neutrosophic Graphs Neutrosophic Crisp Probability Theory On Strong Interval Valued Neutrosophic Graphs The Concept of Neutrosophic Less than or Equal A New Insight in Unconstrained Geometric Programming Multi Criteria Decision Making Method for n wise Criteria Comparisons and Inconsistent Problems **ICT-Based Assessment, Methods, and Programs in Tertiary Education** Meri Yilan, Serpil, Koruyan, Kasim, 2020-04-17

The use of information and communication technologies ICTs in education has revolutionized learning Shifting beyond traditional mode of education the integration of ICTs has become an advantage for students at tertiary education when used for the right purpose to enhance learning The use of technology brings forth a flexible and accessible mode of education and bridges the gap of learning across borders This enables students at tertiary level to have access to other universities and academic resource materials globally thereby expanding their knowledge Thus it is crucial to consider the development of technology in education as part of a comprehensive pedagogical framework and take into account new developments in ICTs ICT Based Assessment Methods and Programs in Tertiary Education is an essential research publication that provides relevant theoretical frameworks and recent empirical research findings on integrating ICTs in tertiary education to enhance learning and allow students to take more control of their learning Highlighting topics such as assessment language learning and e learning this book is ideal for teachers professionals academicians researchers administrators curriculum designers instructional designers and students ICEL 2017 - Proceedings of the 12th International Conference on e-Learning Laurie O. Campbell, Richard Hartshorn, 2017

Proceedings of the International Conference Theory and Applications in the Knowledge Economy TAKE 2017 Blazenka Knezevic, Gaby Neumann, 2017-07-08 Foreword A famous Portuguese Poet once said around one hundred years ago before I was born all the words that should save the Humanity had already been written the only thing that was missing was to save Humanity Fast forward to the 21st century services led and knowledge based economy and we have myriads of theoretical study about the decisive assets namely intangibles Those analysis are made in several perspectives namely Human Resources Knowledge Management Intellectual Capital and also many sectorial perspectives like Trade Economics Logistics Social Policy etc However today the question about the applicability of all these studies remains unsolved So it like many of the words that will save the Knowledge Economy have already been written all we need is to save the Knowledge Economy Or is it not The idea behind TAKE Conference was to provide a multidisciplinary forum in which those multiple perspectives will come together We believe it is a fruitful operation and we intend to continue the exercise in the future The problem of the relation between theory and practice in the knowledge economy is getting more important and not less important with the development of the BRICS and other nations TAKE main question will be one of the problems of the

21st century Following the promising start of TAKE 2016 in Aveiro Portugal TAKE 2017 was organized by the Faculty of Economics of Zagreb University around Prof Blazenka Knezevic I would like to thank her and her team for the massive effort in putting TAKE 2017 together It will be a very nice and memorable conference I would like also to thank the 5 keynotes the special sessions and workshop organizes the authors of the 60 papers and 5 posters the stream leaders the reviewers and the sponsors for the efforts And to the 90 participants from 20 countries Austria Bosnia Herzegovina Canada Croatia Germany Hong Kong Hungary Netherlands Mexico Portugal Poland Romania Russia South Africa Serbia Slovakia Spain Thailand United Kingdom United States A special word to Prof Gaby Neumann from Wildau who organized the Proceedings Let us make TAKE 2017 a great occasion and help save the knowledge economy a bit Eduardo Tom Conference Chair Zagreb July 2017

Application of Geospatial Technology and Modelling on Natural Resources Management Sandipan Das, Prem C. Pandey, Onesimo Mutanga, Suvarna Tikle, Mengjiao Jiang, Uday Chatterjee, Akash Anand, 2025-07-04 This contributed volume provides coverage of geospatial technology and modelling techniques that are useful for natural resource assessment at various scales from regional to global This makes it a valuable resource for researchers practitioners scientists faculties and students interested in understanding how geospatial tools can be used to assess natural resources The book provides numerous examples of how geospatial technology and modeling can be applied to different natural resource management scenarios including forest management wildlife conservation water resources management and climate change adaptation The book takes an interdisciplinary approach to natural resource management bringing together perspectives from ecology environment geography geology and other fields

Quality Management Implementation in Higher Education: Practices, Models, and Case Studies Sony, Michael, Karingada, Kochu Therisa, Baporikar, Neeta, 2019-08-02 Although initially utilized in business and industrial environments quality management systems can be adapted into higher education to assess and improve an institution's standards These strategies are now playing a vital role in educational areas such as teaching learning and institutional level practices However quality management tools and models must be adapted to fit with the culture of higher education Quality Management Implementation in Higher Education Practices Models and Case Studies is a pivotal reference source that explores the challenges and solutions of designing quality management models in the current educational culture Featuring research on topics such as Lean Six Sigma distance education and student supervision this book is ideally designed for school board members administrators deans policymakers stakeholders professors graduate students education professionals and researchers seeking current research on the applications and success factors of quality management systems in various facets of higher education

Can Themba Siphiwo Mahala, 2022-03-30 Mahala's biography gives insight into the life and writing of Can Themba 1924 1967 an iconic figure of the South African literary world and Drum journalist who died in exile Can Themba The Intellectual Tsotsi a Biography brings to life the iconic South African writer and journalist Can Themba 21 June 1924 8 September 1967 who died while exiled in Swaziland in 1967 Best known for his classic

short story The Suit Themba has been somewhat of an enigma with very little known about his personal life This biography brings forth the voices of those who had personal interactions with him shining the light on different aspects of his life including education literature journalism and political fraternities It features interviews with prominent individuals including his former students Abdul Bham Pitika Ntuli and Mbulelo Mzamane journalistic mentees Juby Mayet and Joe Thloloe as well as friends colleagues and contemporaries Parks Mangena Peter Magubane Jurgen Schadeberg Don Mattera and Nadine Gordimer in addition to artists and academics Mothobi Mutloatse Muxe Nkondo and Njabulo S Ndebele Also featured in this biographical text are veteran political figures such as Mangosuthu Buthelezi Lindiwe Mabuza and Ahmed Kathrada Themba s intellectual acumen scholarly aptitude and witticism are some of his most revered characteristics amongst those who had interactions with him either in person or through comprehensive reading of his works Mahala is a master storyteller and deftly weaves together the threads of Themba s dynamic life In this edifying biography Mahala recreates the sparkle and pathos of Sophiatown of the 1950s and the Drum era Can Themba s successes and failures as well as his triumphs and tribulations reverberate on the pages of this long awaited biography Innovation and Shifting Perspectives in Management Education Baporikar, Neeta,2016-10-04

Effective education and training is essential to the positive development of a manager in corporate or organizational settings In order to stay abreast of current management trends it is necessary to implement new perspectives and technologies being utilized in the field Innovation and Shifting Perspectives in Management Education features a comprehensive assessment of the complexities present in management training programs in educational settings Highlighting best practices and real life experiences within the field this book is an essential reference source for practitioners policy makers undergraduate and graduate students academics managers and professionals Diverse Applications and Transferability of Maturity Models Katuu, Shadrack,2018-10-19 Previously professionals had to make judgment calls based on subjective criteria including their own acumen in their decision making In order to combat this subjectivity maturity models can be implemented to allow organizations a means of assessing everyday processes and to offer a path towards advancement using transparent objective criteria Diverse Applications and Transferability of Maturity Models is a pivotal reference source that provides vital research on the application of maturity models in organizational development in a variety of work environments While highlighting topics such as open government archives and records management enterprise content management and digital economy this publication explores methods to help organizations effectively implement plans in any given management system This book is ideally designed for professionals and researchers seeking current research on a variety of social science and applied science fields including business studies computer science digital preservation information governance information science information systems public administration records management and project management *AIMING FOR THE STARS* Dr Sphumelele Ndlovu,2018-07-13 *AIMING FOR THE STARS* is a memoir of Dr Sphumelele Ndlovu and his life of hardship which led him to becoming a Scientist His mother sold chickens to

provide for her children never considering himself worse off than others The family was poor Sphumelele's life was also derailed when strikes caused 24 out of the 28 teachers at his school to abandon their posts in his matric year Education was Ndlovu's ticket to a better future and he knew at a young age that he wasn't going to give it up without a fight Ndlovu's PhD placed him to be part of a team of scientists set out to measure the distance between the Earth and Moon using lasers It is the sixth ever such venture but the first to be carried out by an African team A man whose horizon was once confined to the perimeter of a chicken coop now handled tools that allowed his eyes to glide over galaxies
