Encyclopedia of Social Problems Vincent N. Parrillo, 2008-05-22 Social problems affect everyone Because so many
actual and potential problems confront us it is often difficult to decide which ones affect us most severely Is it the threat of
death or injury during a terrorist attack Is it the threat caused by industrial pollution that may poison us or destroy our
physical environment Or does quiet but viciously damaging gender age class racial or ethnic discrimination have the most far
reaching effect Do the problems of cities affect us if we live in the suburbs Do poorer nations problems with overpopulation
affect our quality of life The Encyclopedia of Social Problems offers an interdisciplinary perspective into many social issues
that are a continuing concern in our lives whether we confront them on a personal local regional national or global level With

more than 600 entries these two volumes cover all of the major theories approaches and contemporary issues in social problems and also provide insight into how social conditions get defined as social problems and the ways different people and organizations view and try to solve them Key Features Provides as comprehensive an approach as possible to this multifaceted field by using experts and scholars from 19 disciplines anthropology biology business chemistry communications criminal justice demography economics education environmental studies geography health history languages political science psychology social work sociology and women s studies Presents a truly international effort with contributors from 17 countries Argentina Australia Canada England France Germany Greece Hong Kong India Ireland Italy Kenya New Zealand Romania Scotland Turkey and the United States Addresses social problems that are fairly new such as computer crimes and identity theft and others that are centuries old such as poverty and prostitution Examines social problems differently from place to place and from one era to another Explains the perspectives and foundations of various social theories and offers different lenses to view the same reality Key Themes Aging and the Life Course Community Culture and Change Crime and Deviance Economics and Work Education Family Gender Inequality and Sexual Orientation Health Housing and Urbanization Politics Power and War Population and Environment Poverty and Social Class Race and Ethnic Relations Social Movements Social Theory Substance Abuse Readers investigating virtually any social problem will find a rich treasure of information and insights in this reference work making it a must have resource for any academic library AV Market Place Information Today Inc,2007-02 *Bibliography of Agriculture with Subject Index* ,1979 **Youth's Companion** ,1914
