A place of great beauty Thuringland and its tributary states exist on the edge of perilous balance of power resources and control Every aspect of life on Thuringland is connected but there are those who will risk that precious equilibrium for their own needs The Dragonlord Seldric bearer of the all powerful Dragoncrown controls the dragons upon which so much of life depends Their fiery breath produces magical coins used for both commerce and energy The dragons protect the realm and enforce control of the tributary lands all are dependent on them Life in Thuringland could not exist without the odious burden of slavery and too many races are considered to be little more than commodities by those in power In the jungle of Sinjer a race of proud warriors fights for survival freedom and dignity The Sinjeryan all female race left the world of men behind to free themselves from oppression but Seldrics demands for tribute women as his protectors and concubines challenges that As one of the proud Sinjery Dragonflyers Seldrics present concubine Trallalair will do anything to end her races odious tribute At Hells Breach an open portal to the underworld from which demons and zombies threaten all life poets wielding magical words fight to save their world When a seemingly unconnected string of events frees the dragons no one is safe from their wrath Can brave champions of many races come together to restore the realms balance of power before it is too late
