Berries Level Three A Story Magic Lory G. Harboyan, 2007-02-06 Berries offers learners in elementary classes the opportunity to discover the joy in learning. It provides through fun and motivating activities all the basic skills for language learning. To that end learners will be effectively engaged in a well structured comprehensive program as they master listening speaking reading writing phonics spelling and critical thinking skills. Berries components: Learner's Instructor's Story Magic Manual and Answer Key Grammar Audio CD Phonics Assessment CD Practice Theme based Posters. Each of the learner's four books covers a range of components targeting the specific objectives of the respective language areas. Special care has been given to the choice of themes to guarantee motivation and encourage social interaction. Study skills and cross curricular links are also integrated in the program helping learners experience global education early on in their academic lives. Berries makes learning fun.

**Young Writers at Transition** Daniel C. Tabor, 2004 Daniel Tabor discusses the teaching and uses of writing as pupils move from year 6 at primary school to year 7 at the secondary school. He covers issues of literacy practice how writing is taught and used in transition and continuity.

A textbook for parents. How to teach a child to talk. Correct speech development from infant to preschooler. Oleg Nashchubskiy, In the book we will consider in detail many topics related to speech development in children. We list just some of the topics that will be described in the book. The importance of early speech development. A general overview of language stages from infancy to preschool. Creation of an environment that stimulates speech development. The importance of reading from birth. The importance of early communication and its impact on speech development. Communication techniques with newborns and infants. Games and exercises to stimulate the production of sounds. An introduction to phonetic development and the prevention of common pronunciation problems. Exercises to develop vocabulary and comprehension. How to use everyday activities to teach. Strategies for encouraging first words. Developing the ability to connect words into sentences. Games and exercises to teach basic grammar. The importance of correction and encouragement in the learning process. Techniques and games to develop storytelling skills. How to use books to improve speaking skills. The role of music and singing in speech development. Practical activities for incorporating music into learning. Early detection and overcoming of speech development delays. When to seek specialist help. Strategies for maintaining interest in learning and conversation. The importance of social interaction and play with peers. Wise use of technology in stimulating speech development. Applications and resources to support learning. Laying the foundation for reading and writing. The importance of continuing the educational process at home. Summing up and parting words for parents for the future. The importance of patience consistency and encouragement in the process of speech development. Each chapter will contain specific tips strategies games and activities that parents can use daily to stimulate their child's language development. The book aims to provide parents not only with theoretical knowledge but also with practical tools to actively participate in the development of their child's speech.
