Brandenburg, PhD,2014-11-19 New proof of a nuclear catastrophe on Mars In an epic story of discovery strong evidence is presented for a dead civilization on Mars and the shocking reason for its demise an ancient planetary scale nuclear massacre leaving isotopic traces of vast explosions that endure to our present age The story told by a wide range of Mars data is now clear Mars was once Earth like in climate with an ocean and rivers and for a long period became home to both plant and animal life including a humanoid civilization Then for unfathomable reasons a massive thermo nuclear explosion ravaged the

centers of the Martian civilization and destroyed the biosphere of the planet But the story does not end there This tragedy may explain Fermi s Paradox the fact that the cosmos seemingly so fertile and with so many planets suitable for life is as silent as a graveyard We must immediately send astronauts to Mars to maximize our knowledge of what happened there and learn how to avoid Mars fate Includes an 8 page color section What The Prophet Ether Couldn t Tell Us: Book 2 of 3 Jim Hendleman,2021-04-13 BACK COVER The sequel to the Jaredite s Civilization What the Prophet Ether couldn t Tell Us is finally out Book III to shortly follow Book II tells of the life and times of the Jaredites the greatest civilization to have ever lived on Planet Earth It details their earliest beginnings and enumerates some of their many achievements and accomplishments It is first mentioned within the Book of Mormon in Ether 1 42 44 Ether was later directed by God to remove everything about them save for their earliest beginnings at the Tower of Babel in Iraq and a few brief tales of their spiritual trials and wars up to their final Civil War Mainstream Archaeology refuses to address this civilization because it would reveal Archaeology s canards about evolution and their false narrative about the Origin of Man The Jaredites settled and colonized South and North America Lemuria Antarctica The British Isles and most of western Europe plus the lands of China and India For nearly 2 530 years they maintained a world wide civilization My research has uncovered many details of Jaredite life and their physical characteristics that the prophet Ether was not allowed to tell us They built all of Egypt Their Hindu colony fought at least two internal nuclear wars They colonized throughout our entire Solar System most moons and all the planets have their cities mainly covered by 7 mile high glass domes except Jupiter and Saturn These two planets each have possible Star War size moons that could be artificial space stations Mars used to be a moon to its now exploded primary which is now the Asteroid Belt Their Martian cities are so immense that New York City and Shanghai combined wouldn t be considered a nickel in a handful of change in comparison to them Jaredite leftovers are all over Earth if one knows when to look for them Book III details a few of their many wars as well as their final Civil War the first year or two which were nuclear Through their longevity they were able to develop their physics to the point to where they could control the weather as well as to weaponize its component parts And their final long prophesied death **The Ancient Alien Theory: Part Six** C.R. The Encyclopedia of Moon Mysteries Constance Victoria Briggs, 2019-03-19 Our moon is an enigma The ancients viewed it as a light to guide them in the darkness and a god to be worshipped In modern times it has been taught that the Moon is simply a dead rock that is caught in Earth's gravity with no activity As a researcher of metaphysical paranormal and cosmic subjects I have come across stories and information about the Moon that tell us that indeed there is activity there and there has been for generations Just who or what is causing the commotion is a mystery There are stories that suggest that the Moon is home to extraterrestrials theories that it is not a natural satellite tales of anomalous lights and tales that NASA astronauts saw extraterrestrial ships and ruins of an ancient civilization there There is a rumor that Apollo 13 was saved by extraterrestrials Another story states that there are extraterrestrial bases on the Moon There is even a tale that states that a part of the kingdom of Atlantis was once located there Some even believe that there are cities beneath the surface of the Moon There is an interesting account of a government employee using remote viewing as a means of seeing what is on the Moon His experience is eye opening This is just a sample of the information that will be in The Encyclopedia of Moon Mysteries Secrets Conspiracy Theories Anomalies Extraterrestrials and More For example did you know that Aristotle and Plato wrote about a time when there was no Moon They even gave a name of an ancient tribe of people that lived during that moonless period several of the NASA astronauts reported seeing UFOs while traveling to the Moon the Moon might be hollow Apollo 10 astronauts heard strange space music when traveling on the far side of the Moon strange and unexplained lights have been seen on the Moon for centuries there are said to be ruins of structures on the Moon there is an ancient tale that suggests that the first human was created on the Moon that radio signals have been detected coming from the Moon that famed astronomer Sir John Herschel saw unidentified lights above the Moon during an eclipse that ancient Bolivian symbols tell us that the Moon came into Earth's orbit around 12 000 years ago a psychic was used by the government to relay information about the Moon The book is separated into A to Z sections for easy reference and reading

The Great Architects of Mars George J. Haas, 2025-01-07 Explores a wide variety of anomalous structures on Mars's surface that display a high degree of geometric and pictographic design Examines sites such as the Elysium pyramid famously described by Carl Sagan and city complexes in the Nepenthes Mensae and Atlantis Chaos regions Argues that Mayan creation stories of a Star War and Sumerian myths of the Anunnaki provide ancient evidence for the existence of a Martian culture Exploring evidence of a lost Martian civilization and its contact with Earth investigator George Haas examines a wide variety of anomalous structures and geoglyphs on Mars's surface that display a high degree of geometric and symbolic design that reveal an ancient bond between Earth and Mars He takes a closer look at Carl Sagan's famous pyramid of Elysium including high resolution images released after Sagan's death Investigating a pair of city complexes in the Nepenthes Mensae region of the Red Planet Haas

shows how the settlements include geometric formations of a five sided star and a hexagonal pyramid along with geoglyphic formations representing a dove a killer whale and a bat Examining the Libya Montes region he reveals a keyhole shaped formation identical in design to ancient tombs built in Japan In the Atlantis Chaos region he investigates the remains of an ancient city nestled along a dead lake an urban like array of gridded broken walls and shattered foundations He then explores a detailed parrot shaped geoglyph in the large impact crater known as Argyre Basin that four veterinarians found to possess 22 points of anatomical correctness with terrestrial parrots Providing an ancient Mesoamerican connection to the civilizations of Mars Haas looks at a lesser known Mayan creation story about a Star War that occurred 800 000 years ago He reveals parallels between this story and ancient Sumerian stories of the Anunnaki occupation of Earth and Mars as documented by Zecharia Sitchin Haas also shows how there is a direct correlation between the ruins on Mars and the art and architecture of Mesoamerican cultures providing clear evidence of a long disappeared Martian civilization that we are only now rediscovering

How Antigravity Built the Pyramids Nick Redfern, 2025-09-12 Discover the Lost Secrets of the Ancients and the Time When Stones Floated High over Egypt Throughout history folklore and mystery tales have circulated of massive stones being moved through the air effortlessly by sound Bizarre Well yes it is That doesn't take away the fact that sound was and still remains the key to the construction of the pyramids of Egypt Stonehenge the stone figures of Easter Island and the massive stones at Baalbek Lebanon Were they the work of ancient humans or of equally ancient extraterrestrials How Antigravity Built the Pyramids delves into specific stories and theories A 9th century story of a mysterious papyrus with the power to move large stones at the Giza Necropolis The Mayan story of the construction of the Pyramid of the Magician said to be overseen by a small humanoid who could whistle large stones into place Native American stories of ancient priests being able to make stones light to move easily Author Nick Redfern argues it was not literally music and whistling that somehow raised large stones but both have one thing in common sound Acoustics Almost certainly acoustic levitation was at the heart of these incredible feats The truth of the science behind acoustic levitation was lost and forgotten for ages with little more left than fanciful tales of music whistles a curious papyrus and strange metal rods that could achieve incredible feats in the air Today we are finally starting to get a grasp on this incredible technology a technology that may have been the work of ancient humans aliens from faraway worlds or perhaps a combination of the two
