wealthy satellite business company the story tells of the owner's quest for women and power on a global scale Murder rape and domination his goal in life Tormented by dreams of the past future and present Never knowing which will occur and when His wife's early departure leaves him in the company of his beautiful secretary She has her own fashion house and is wanted desperately by one of her male models A beautiful nineteen year nanny looks after his twelve year old son The businessman wanting to bed her at his first opportunity A seventh son of a seventh son so too is his youngest son who has constant visitations from his dead mother All of his other six sons left him to work abroad believing he murdered his wife for insurance money to keep the ailing company afloat The superpowers gather together to try and find out why a star in the heavens millions of miles from earth is pulling on the axis of the earth causing massive gravitational destabilization The Star continues to vibrate sending out massive magnetic force fields that are pulling more and more on the magnetic core of our planet The subterranean plates two thousand miles under the oceans are distorting and overheating from the magnetic pull from the star which can unleash millions and millions of tons of molten lava into the oceans thus burning our planet if the plates cannot be stopped from magnetically turning on themselves Two rogue nuclear submarines under the poles threaten to overheat from the intensity of the oceans water temperature melting the polar caps and flooding the world The super powers consult the Vatican having heard of the doomsday prophecies from the valley of the king recently unearthed The codes of the prophecies cannot be broken in full The prophecies tell of the doomsday Armageddon three thousand years old written in old Arabic and mathematical codes not seen on this earth before Decoders and mathematicians work day and night in the deep Vatican crepts trying desperately to find answers of what lies ahead for mankind What has been decoded tells of twelve girls all over the globe who may be hosts to the coming of the antichrist child The world will end in twelve days if the codes cannot be broken and the host child found together with the man who will carry the antichrist seed Twelve days tick by slowly as the Vatican desperately try and find each girl in turn Terrible exorcisms are conducted as Cardinal after Cardinal is butchered One girl's supernatural powers are attempted to be harnessed by one superpower leading to a vengeful bloodbath Once the codes are broken a seventh son of a seventh son is the only one who can do battle against the forces of evil with the ancient rites and texts of the prophet David and above all the final rite of exorcism used three thousand years ago still undecoded still intact still in the casket of the visionaries handed down through the generations from pope to pope Realizing all is lost and believing the doomsday prophesy the superpowers agree to help the Vatican and do all in their power to find out why the star is pulling on our axis and why it is vibrating so as to pinpoint where on earth this deed of insemination will be committed All communications systems around the globe are shut down so as the magnetic effects of the star will not turn nations against nation with the release of nuclear weapons from failed computer systems The world will be pulled from its axis by the Star if the magnetic pull cannot be stabilized sending the earth into outer space in a freezing ball of ice or the world will incinerate by the overheating of the subterranean plates or the world will be flooded by the melting of the ice caps
