**Post-Covid Schooling** Clive Harber, 2021-11-12 This book questions the consensus that contemporary formal schooling is of clear cut and undoubted benefit to pupils During lockdowns caused by the global COVID 19 pandemic governments and various other actors have been trying to get children and young people back into school as quickly as possible While there are any numerous beneficial aspects of schooling the book asks whether accepted models and practices of schools should change in a post COVID world By critically examining the everyday nature of normal schooling the book demonstrates that many aspects of schooling are not necessarily beneficial to pupils and can be directly harmful in doing so the author imagines a future of schooling that could better support and benefit its students

**Power** Jane Golley, Linda Jaivin, Paul J. Farrelly, Sharon Strange, 2019-04-11 In 2018 the People s Republic of China PRC was by most measures more powerful than at any other time in its history and had become one of the most powerful countries in the world Its economy faced serious challenges including from the ongoing trade war with the US but still ranked as the world s second largest Its Belt and Road Initiative meanwhile continued to carve paths of influence and economic integration across several continents A deft combination of policy investment and entrepreneurship has also turned the PRC into a global techno power It aims with a good chance of success at becoming a global science and technology leader by 2049 one hundred years from the founding of the PRC In surveying the various ways in which the Party state wields its hard soft and sharp power the China Story Yearbook Power offers readers a sense of the diversity of power at work both

in China and abroad Citizens of the PRC have long negotiated the state's influence increasingly diaspora communities and other actors are now being subject to its might As with previous editions in the series we place important developments in historical context and adopt a cross disciplinary approach it is our view that economy and politics cannot be divorced from culture history and society The Yearbook provides accessible analysis of the main events and trends of the year and is an essential tool for understanding China's growing power and influence around the world      **Annual Index** ,2007
