Stimuli for Entrepreneurship Magdalena Streicher, 2019-03-12 Stimulating entrepreneurial activity has become a priority for government policy around the globe This dissertation investigates efforts to promote entrepreneurship at the individual company and regional level in three self contained essays First at the individual level the effectiveness of entrepreneurship education in nurturing entrepreneurial skills attitudes and intentions is examined among high school students Second at the company level the potential of short term support schemes to accelerate the growth of early stage ventures is explored Third at the regional level the development of entrepreneurial activity precipitated by transformational events at large corporations

presents the most extensive unit of analysis Together these studies inspire a nuanced discussion of how entrepreneurship can be encouraged at different stages of development and in various settings *Reframing the Subject* Kelly Ritter, 2016-01-23 Mental hygiene films developed for classroom use touted vigilance correct behavior morality and model citizenship They also became powerful tools for teaching literacy skills and literacy based behaviors to young people following the Second World War In this study Kelly Ritter offers an extensive theoretical analysis of the alliance of the value systems inherent in mental hygiene films class based ideals democracy patriotism with writing education an alliance that continues today by way of the mass digital technologies used in teaching online She further details the larger material and cultural forces at work in the production of these films behind the scenes and their effects on education trends Through her examination of literacy theory instructional films policy documents and textbooks of the late 1940s to mid 1950s Ritter demonstrates a reliance on pedagogies that emphasize institutional ideologies and correctness over epistemic complexity and de-emphasize the role of the student in his or her own learning process To Ritter these practices are sustained in today's pedagogies and media that create a false promise of social uplift through formalized education instead often resulting in negative material consequences *After Piketty* Heather Boushey, J. Bradford DeLong, Marshall Steinbaum, 2017-05-08 Are Thomas Piketty's analyses of inequality on target Where should researchers go from here in exploring the ideas he pushed to the forefront of global conversation In *After Piketty* a cast of economists and other social scientists tackle these questions in dialogue with Piketty in what is sure to be a much debated book in its own right **Why We Fight** Christopher Blattman, 2022-04-21 Why do human beings fight one another In this exhilarating and bracing book we learn the common logic driving vainglorious monarchs dictators mobs pilots football hooligans ancient peoples and fanatics Distilling decades of economics political science psychology and real world interventions and through his time studying Columbia Chicago Liberia and Northern Ireland Christopher Blattman lifts the lid on the underlying forces governing war and peace Why did Russia attack Ukraine Will China invade Taiwan and launch WWII And what can any of us do about it Captivating and intelligent Tim Harford Wise intriguing imaginative Rory Stewart Nothing could be more relevant today than war and peace an outstanding and original book on this topic Martin Wolf Financial Times Important readable radical David Miliband A great storyteller with important insights for us all Richard Thaler co author of *Nudge* Essential for understanding the world we live in today James A Robinson co author of *Why Nations Fail* *The Rise and Fall of Civic Education* Michael Learn, 2024-09-16 Social studies is a field in crisis The crisis stems from failure to establish the very foundation of social studies purpose in public education civic education Social studies advocates have never put forth a coherent method for teaching civic education because policymakers and the public have been unable to agree upon a general definition of civic education This issue has disrupted the field since the early days As educators sought to include civic education within public schools as a dedicated field social studies evolved into a blending of history social sciences and civic education Social studies evolution

never resolved the differences between the three with each discipline striving to control the narrative Instead of creating a unified field the disciplines devalued social studies and thus any discipline associated with it The Rise and Fall of Civic Education The Battle for Social Studies in a Shifting Historical Landscape investigates the changing definitions and purposes ascribed to social studies in the United States through time This result is viewed through the rising tensions from culture wars as America s divisive politics fight to control the narrative of the disciplines within social studies
