2014 Lectionary Calendar United Methodist:

The United Methodist Music and Worship Planner, 2014-2015 David L. Bone, 2014 **Preaching on Social Suffering** Jeremy Kangsan Kim, 2023-03-01 In this book Jeremy Kim criticizes current Korean and Asian American homiletical strategies for their lack of a theological point of view on social suffering. He argues that preachers must develop an alternative theological homiletical viewpoint on social suffering, one that has pastoral and prophetic approaches. These two approaches offer people a refuge and a voice not only in the church community but also in the larger social community. Thus the author suggests that preachers adopt the biblical lament, highlighting its dual tasks of compassion, the pastoral dimension, and resistance, the prophetic dimension. The author, who is a non-Western Asian American preacher, also incorporates East Asian philosophical and hermeneutical research on a positive element of Confucianism into his argument. He applies this core concept of Confucianism to the preacher's homiletical strategy toward social suffering. Thus the author proposes that Korean preachers should recover *ren*, which contains sincere compassion for others as well as a voice of resistance that reveals unjust social structures as the cause of social suffering and expresses both within and to the community.

Theology as Retrieval W. David Buschart, Kent Eilers, 2015-04-15 Buschart and Eilers identify six critical areas: Scripture, theology, worship, spirituality, mission, and culture, where contemporary Christians are retrieving aspects of our Christian past for life and thought today. The result is a fascinating tour and wise reflection on how Christians might receive, employ, and transmit the treasures of their past. **Setting the Spiritual Clock** Paul Louis Metzger, 2020-11-15 Various Christian traditions mark their calendars to reflect the biblical and ecclesial narrative and enhance public worship. Such efforts safeguard against secularization's encroachment in the church's life. *Setting the Spiritual Clock* serves as a guide and traveling companion for the liturgical year, which circles the glorious Son as he breaks through the secular eclipse.

Christianity in Western and Northern Europe Todd M. Johnson, Annemarie C. Mayer, Kenneth R. Ross, 2024-04-30 Although the origins of Christianity lie in the Near East, Europe and Christianity have an exceptional relationship since most Europeans perceive Christianity as a Western, more precisely as a European, religion. The region has seen rapid social change in the 21st century, set off by factors including energy crisis and environmental awareness, poverty and exclusion, falling birthrates, and increased migration, changing attitudes to sexuality, gender, and family life, and challenges to Europe's idea of itself and place in the global order. Amidst all this flux, this volume focuses on one particular issue: the rapidly changing profile of the Christian faith that has shaped the life of the European continent for a millennium and more. At a time when patterns of Christian life and worship appear to be dying out, yet traces of new life are also appearing, this volume maps out the current reality of Christianity in Western and Northern Europe with all its questions and uncertainties. *Preaching Through the Liturgical Year and Other Occasions* Debra Bass, 2014-04-11 *Preaching through the Liturgical Year and other Occasions* is a book on sermons that can be used through the calendar year. Enneagram Theology Rhenn Cherry, 2021-08-16 The enneagram has become popular among evangelical Christians as a spiritualized personality typology that claims to help people better understand themselves and others Several influential evangelical Christian leadership ministries have promoted the enneagram as a tool in forming and maintaining effective ministry teams and the personality typology is now taught and embraced at several Christian universities But uncertainty exists about the appropriateness of referring to the Enneagram as a Christian tool Are pastors and Christian institutional leaders aware of the theology associated with the Enneagram Enneagram Theology Is It Christian provides a biblical critique of the Enneagram s underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church

Eucharistic Epicleses, Ancient and Modern Anne McGowan, 2014-05-15 This book explores the theological and textual connections among ancient and modern epicleses primarily through analysis of a selection of epicletic texts in contemporary Western eucharistic prayers and the theological principles that shaped them Liturgical scholarship on the Spirit s role in early liturgical prayers and texts conducted during the twentieth century contributed to the language and pneumatology of contemporary eucharistic prayers in the Western Christian tradition More recent considerations of these ancient sources suggest ways to articulate and incorporate a more expansive understanding of the connections between the Holy Spirit and the Eucharist into the euchological repertoire of various ecclesial traditions
