information work in the years 2011-2015 *Education*, 2017 *Biomarkers and therapeutic strategies in acute lymphoblastic leukemia* Ki-Young Lee, Maristella Maggi, Claudia Scotti, 2023-06-06 *Social Considerations of Migration Movements and Immigration Policies* Erçetin, Şefika Şule, 2017-08-10 In the globalized era a higher level of attention is given to various migration immigration and refugee movements By undertaking research on these concepts their impact on contemporary society can be better understood *Social Considerations of Migration Movements and Immigration Policies* is a pivotal reference source for the latest scholarly material on the socio economic effects of immigration and refugee crises on regional and international levels Including a range of innovative perspectives such as peace building political refugees and civil protection this book is ideally designed for researchers academics graduate students policy makers and practitioners interested in the social dimensions of migration and immigration policies *Combinatorial Approaches to Enhance Anti-Tumor Immunity: Focus on Immune Checkpoint Blockade Therapy* Patrik Andersson, Christian Ostheimer, 2019-12-27 The immune system harbors great potential for controlling and eliminating tumors Recent developments in the field of immuno oncology has led to unprecedented clinical benefits for a broad spectrum of solid tumors However immunotherapy IT approaches currently have several limitations including i low response rate ii development of resistance and iii causing severe immune related adverse effects IrAEs which underline the importance of adequate patient selection Importantly IT holds promising synergistic potential when combined with standard of care chemotherapy radiotherapy RT and anti angiogenic therapy AAT as part of multi modal oncologic treatment regimes Published data suggest that there are potential synergy between RT and AAT which ultimately could help potentiate the response to IT However the complex interactions between RT and IT and or AAT remain poorly understood Many research questions including optimal timing scheduling and dosing as well as patient selection and side effects of combined therapy approaches remain to be addressed This Research Topic aims to give a comprehensive overview of the current field with particular emphasis on the future outlook of RT and AAT as complementary approaches to improve IT in solid tumors *How Romantics and Victorians Organized Information* Jillian M. Hess, 2022-07-21 Every literary household in nineteenth century Britain had a commonplace book scrapbook or album Coleridge called his collection Fly Catchers while George Eliot referred to one of her commonplace books as a Quarry and Michael Faraday kept quotations in his Philosophical Miscellany Nevertheless the nineteenth century commonplace book along with associated traditions like the scrapbook and album remain under studied This book tells the story of how technological and social changes altered methods for gathering storing and organizing information in nineteenth century Britain As the commonplace book moved out of the schoolroom and into the home it took on elements of the friendship album At the same time the explosion of print allowed readers to cheaply cut and paste extractions rather than copying out quotations by hand Built on the evidence of over 300 manuscripts this volume unearths the composition practices of well known writers such as Samuel Taylor Coleridge Sir Walter Scott George Eliot and Alfred Lord Tennyson and their less well

known contemporaries Divided into two sections the first half of the book contends that methods for organizing knowledge developed in line with the period's dominant epistemic frameworks while the second half argues that commonplace books helped Romantics and Victorians organize people Chapters focus on prominent organizational methods in nineteenth century commonplacing often attached to an associated epistemic virtue diaristic forms and the imagination Chapter Two real time entries signalling objectivity Chapter Three antiquarian remnants serving as empirical evidence for historical arguments Chapter Four communally produced commonplace books that attest to socially constructed knowledge Chapter Five and blank spaces in commonplace books of mourning Chapter Six Richly illustrated this book brings an archive of commonplace books scrapbooks and albums to the reader
