Memory and Forgetting in the Post-Holocaust Era Alejandro Baer, Natan Sznaider, 2016-11-25 To forget after Auschwitz is considered barbaric Baer and Sznaider question this assumption not only in regard to the Holocaust but to other political crimes as well The duties of memory surrounding the Holocaust have spread around the globe and interacted with other narratives of victimization that demand equal treatment Are there crimes that must be forgotten and others that should be remembered In this book the authors examine the effects of a globalized Holocaust culture on the ways in which individuals and groups understand the moral and political significance of their respective histories of extreme political violence Do such transnational memories facilitate or hamper the task of coming to terms with and overcoming divisive pasts Taking Argentina Spain and a number of sites in post communist Europe as test cases this book illustrates the transformation from a nationally oriented ethics to a trans national one The authors look at media scholarly discourse NGOs dealing with human rights and memory museums and memorial sites and examine how a new generation of memory activists revisits the past to construct a new future Baer and Sznaider follow these attempts to manoeuvre between the duties of remembrance and the benefits of forgetting This the authors argue is the ethics of Never Again

The Angel of Christmas C.G. Thompson, 2022-08-11 The stories you are about to read are fiction with some fictional characters However not all of the characters are fictional You will find real history and actual places woven into these tales The main characters in all of these stories are angels Angels are mentioned at least 273 times in the Scriptures The number of angels is incalculable They are created spirit beings which are invisible unless they wish to be seen and normally that is in human form They like us have free will There are several different types of angels with different assignments to carry out They all report to God their Father Today it seems many Christian people only desire to believe in a God of love and not a God of vengeance and punishment Yes God is love but He is other things as well People

seem to mistake God's long suffering for a change from His Old Testament persona to one that makes Him seem like a hippy of the 1960s The Bible says that He is the same yesterday today and forever I can't visualize Him sitting on His throne making peace signs He wasn't a flower child in the Old Testament so neither is He today This book shows both a God of love and a God of justice In this collection of stories as well as in the Bible angels are sent to carry out His justice upon evildoers In both this book and the Bible angels are also sent to show His love for His children

Father's Revelation of the Son Raul Pena, 2010-11-30 The Father's Revelation of the Son will settle you in the Truth of God's love and in His intentions and purpose for the human race In the book you will encounter the Truth of His love The Personal undertaking for our salvation by His Sacrifice on the Cross and His personal interest in us by coming into our lives to teach us and guide us fulfilling all the desires of our Father as He prepares us for His Eternal Priesthood Remember Jesus came into the world to sow the Seed of Godliness into the heart of man Both male and Female Gen 5:2 and for those who receive Him He brings and presents them blameless on that Day To those who endure with Him during His trials against evil and the oppositions to His Love in this world He will reward eternally Look into the life of David though he was anointed King during the time of Saul's Reign He did not cross the line but waited till the time appointed by the Father for his Throne Therefore all those who were on David's side who labored and endured with him he rewarded with positions and places of honor at the time of his inauguration and reign Let us press on to know the Lord through the Father's revelation of the Son to obtain all He has prepared for us in the times of our generations Rp
