

Animal Farm Chapter Four Questions

Directions: Answer each in a complete sentence. Use textual evidence to support your response.

1. What do Snowball and Napoleon do to encourage the spread of Animalism?

Snowball and Napoleon encourage the spread of Animalism by sending "out flights of pigeons whose instructions were to mingle with the animals on neighboring farms" (Orwell, 54).

2. Who are Frederick and Pilkington?

Frederick and Pilkington are the owners of the farms that reside on each side of Animal Farm.

3. In what ways do the humans try and stop the spread of Animalism?

The humans try and stop the spread of Animalism by stating "the animals there practiced cannibalism, tortured one another with red-hot horseshoes, and had females in common" (Orwell, 55). They were basically trying to spread lies so that the animals would not want to rebel.

4. Where does Snowball get his ideas for defending Animal Farm?

Snowball gets his ideas for defending Animal Farm by studying "an old book of Julius Caesar's campaigns" (Orwell, 57).

5. Describe how the animals are able to successfully defend the farm against the humans.

The animals are able to successfully defend the farm against the humans by working together and strategically planning their defenses.

6. Which animals are injured or killed during the battle?

During the battle, Snowball is injured and one sheep is killed.

7. How do the animals celebrate their victory?

The animals celebrate their victory by reassembling "in the wildest excitement, each recounting his own exploits in the battle" (Orwell, 59).

They also hoisted the flag and sung *Beasts of England*.

8. What part does Napoleon play during the Battle of the Cowshed? What do you think this says about him? During the Battle of the Cowshed, Napoleon was not present whatsoever. His lack of presence shows that Napoleon does not care for the well-being of everyone and does not share in the defense of the farm.

Agriculture Floor Brouwer,2012 This work debates and investigates the cross compliance system whereby farmers comply with certain standards relating to the environment food safety and animal and plant health The book discusses cross compliance in the context of existing standards on farm costs and the competitiveness of farm businesses Analysing the economics of regulation both within the internal market of the EU and the broader world market by examining a broad range of agricultural products This resource will be of value to agriculture and resource economists policy makers researchers and students in environment A New Paradigm for Translators of Literary and Non-Literary Texts Michela

Canepari,2022-07-18 Over the years translation has increasingly become a necessary tool to function in contemporary society Based on years of research and teaching activity within the field this book offers a useful and effective paradigm for the translation of different types of texts guiding readers towards the realisation of effective translation projects The several contrastive analyses presented and the suggestions offered throughout will help readers appreciate the implications and consequences of every translation choice encouraging them to develop reading and translating skills applicable to the variety of texts they face in everyday life from novels to comic books films and television series Video Techniques in Animal

Ecology and Behaviour S.D. Wratten, 2012-12-06 This book is about video techniques not video technology To deal with the latter would be a thankless task as by the time the book was published it would be out of date given the rapid rate of development of video hardware However these technological advances do help to make it an exciting field As Joe Riley says in Chapter 1 Advances in video technology continually produce improvements in performance and reductions in both the cost and size of equipment so it seems certain that the technique will prove to be an even more useful resource in the future In selecting the topics and authors represented in this book I have tried to encompass most of the behavioural and ecological uses to which video is likely to be put over the next decade or so I believe the book has captured the invaluable accumulated experience of the most active practitioners of the medium in this research area The idea for the book arose from two workshops on the use of video in ecology and behaviour held at Southampton University UK during the 1980s Three learned societies were involved in these meetings the Association of Applied Biologists the British Ecological Society and the Society for Experimental Biology

Project Animal Farm Sonia Faruqi, 2015-07-15 Sonia Faruqi had an Ivy League degree and a job on Wall Street But when the banking industry collapsed she found herself on a small organic dairy farm that would change her life for the better although it didn't seem that way in the beginning First she had to come to grips with cows shocked into place cannibal chickens and free range turkeys that went nowhere But there were bright lights as well happy frolicking calves on a veal farm and farmers who cared as much about the animals as their pocketbooks What started as a two week volunteer vacation turned into a journey that reached into the darkest recesses of the animal agriculture industry Surrounded by a colorful cast of characters Faruqi's quest to discover the truth about modern agribusiness took her around the world Lively edgy and balanced *Project Animal Farm* sheds light on the international agribusiness with the ultimate goal of improving the lives of farm animals here at home Using her finance background to forecast the future of agriculture Faruqi discusses the changes we need to make using our forks and our votes
