Animal Farm Study Guide

Chapters 1-4

***Allegory Comparison Chart:** As you read, fill in the chart at the very end that provides space for you to make comparisons between the events of the Soviet Union's experience with communism and the events in *Animal Farm*.*

Chapter I

1) What is significant about how the animals arrange themselves as they gather to hear Major? What might this arrangement say about future meetings or events?

2) According to Major, what are the animals' problems and what is the cause of these problems?

3) What are the main ideas of Major's speech?

5) Examine the song "Beasts of England" as poetry. What is the message? Why do the animals like it so much that they memorize it on the spot?

TheTotalGroup *Introduction to Animal Science* Wilson G. Pond, Kevin R. Pond, 2000-02-11 Pond is for the mainstream introduction to animal science taught in every university that has a school of agriculture or animal science department The result of years of teaching the book provides students with a comprehensive and balanced overview of animal agriculture in contemporary society taking into account the needs of students with highly varied cultural backgrounds and educational objectives **Zooland** Irus Braverman, 2012-11-28 This book takes a unique stance on a controversial topic zoos Zoos have their ardent supporters and their vocal detractors And while we all have opinions on what zoos do few people consider how they do it Irus Braverman draws on more than seventy interviews conducted with zoo managers and administrators as well as animal activists to offer a glimpse into the otherwise unknown complexities of zooland Zooland begins and ends with the story of Timmy the oldest male gorilla in North America to illustrate the dramatic transformations of zoos since the 1970s

Over these decades modern zoos have transformed themselves from places created largely for entertainment to globally connected institutions that emphasize care through conservation and education Zoos naturalize their spaces classify their animals and produce spectacular experiences for their human visitors Zoos name register track and allocate their animals in global databases Zoos both abide by and create laws and industry standards that govern their captive animals Finally zoos intensely govern the reproduction of captive animals carefully calculating the life and death of these animals deciding which of them will be sustained and which will expire Zooland takes readers behind the exhibits into the world of zoo animals and their caretakers And in so doing it turns its gaze back on us to make surprising interconnections between our understandings of the human and the nonhuman
