Luke: An Introduction and Study Guide Greg Carey, 2017-01-12 Greg Carey s guide equips readers to develop their own informed assessments of Luke s Gospel The book begins with an inductive exposition of Luke s singular approach to composing a story about Jesus examining its use of Mark clues to its social setting and its distinctive literary strategies Recognizing that many readers approach Luke for theological and religious reasons while many others do not a chapter on Spirit addresses Luke s

presentation of the God of Israel how the Gospel ties salvation to the person of Jesus and how the problems of sin and evil find their resolution in the kingdom of God and in community of those who follow Jesus A chapter on Practice examines the Gospel's vision for human community While many readers find a revolutionary message in which women the poor Gentiles and sinners find themselves included and blessed in Luke's Gospel this volume calls attention to inconsistencies and tensions within the narrative Luke does speak toward inclusion Carey argues but not in a revolutionary way Could it be that the Gospel promises more than it delivers Carey suggests that Luke speaks to people of relative privilege challenging them toward mercy and inclusion rather than toward fundamental social change An Epilogue reflects upon contemporary readers of Luke most of whom enjoy privilege in their own right and how they may respond to Luke's story **Philemon: An**

Introduction and Study Guide Robert Seesengood, 2017-08-10 This guide explores and summarizes scholarship on Philemon acquainting beginning students with what has been said about Philemon and equipping them to understand the larger debates and conversations that surround it It explores how different initial scholarly assumptions result in different interpretations and meanings these meanings always have ethical implications Reading Philemon challenges us to rethink the process of commentary and the communities interpretation creates Though only one chapter long Paul's Letter to Philemon has generated a remarkable amount of commentary and scholarship over the centuries figuring in debates over textual reconstruction the formation of biblical canon the culture of ancient Rome Greek language and its translation and the role of the Bible in Western politics and economics The focus of this short letter is labor love and captivity Tradition since Chrysostom has argued the letter is an appeal to Philemon on behalf of a fugitive slave Onesimus now a convert to Christianity Yet this interpretation depends upon several assumptions and reconstructions Other equally plausible contexts could be and have been argued **SCM Studyguide Pastoral Theology** Margaret Whipp, Michael Byrne, 2013 The SCM

Studyguide Pastoral Theology designed to support undergraduate courses for the training of clergy and lay pastoral workers at an accessible introductory level The book aims to develop pastoral wisdom and integrity through a critical integration of theology and the human sciences Introducing key themes in theological anthropology and pastoral practice it shapes a creative pastoral vision which is deeply rooted in a Christian vision of what it means to be human and what it takes to care Working with case studies the book will introduce broad frameworks of understanding of issues such as growth loss and sexuality together with critical perspectives on important aspects of practice such as language power and boundaries The book provides an accessible overview of key concepts in pastoral theology offering key entry points for further discussion and study Each chapter includes discussion questions and or reflective exercises at the end of each chapter together with a short bibliography Throughout the text key summaries of learning will be indicated by boxed Practice Points **Young Citizens of the World** Marilynne Boyle-Baise, Jack Zevin, 2009-03-03 This text takes a clear stance Social studies is about citizenship education citizenship not only as a noun but as a verb something one DOES Based on this clear curricular and pedagogical

purpose it lays out a holistic and multicultural three part process for civic preparation becoming informed thinking it through and taking action Six outstanding teaching strategies and teaching learning projects throughout bring this framework life
