The Angel's Fire Holley Trent, 2020-10-03 In sixteenth century Central America the goddess La Bella Dama witnessed the explosion of a slave ship off the coast Hundreds of years later she's still running from what she did in the aftermath A rare moment of softness for some of the nearly dead compelled her to make a deal with the devilish fallen angel responsible for the disaster The women got a second chance but now their descendents have caught up to her and want her to mend her sloppy work And if she doesn't She and her little family in Maria will never have another moment of rest She's no longer a creature who wants to be worshiped She'll never be normal but as Lola Perez she enjoys the peace of blending in Her long ago collaborator Tarik thinks satisfying the angriest amongst the women in El Culto will be simple enough just give them a little more magic and let them rejoin their sisters in Mexico But Tarik's going to have to fix quell the uproar on his own Lola decided a long time ago that there's comfort in the status quo That's why she's been refusing his advances for the past five hundred years They get along like fire and gasoline and he's the only creature she's ever encountered who can make her heart race While they may be uniquely equipped to withstand each other's heat Lola's not ready to commit to him She was humiliated by a lover once before and proved there's nothing more reckless than a goddess scorned *Angel Fire (Fallen Angels - Book 1)* Valmore Daniels, 2011-01-20 My name is Darcy Anderson and I am cursed with a dark power Whenever my life is in danger something inside me summons elemental fire to protect me I cannot control this One night I was attacked in my home The fire it raged out of control I survived the inferno but my house burned to the ground with my parents inside I was at a loss to explain to the courts what happened and they sent me to prison for ten years for manslaughter Now I'm out on parole and all I want is to return to my home town and rebuild my life but the man who attacked me is back to finish the job he started I can sense the power in me growing If I can't control it it will control me and destroy everything and everyone I love Fallen Angels Book 1 Angel Fire Book 2 Angel's Breath Book 3 Earth Angel Book 4 Angel Tears Book 5 Angel of Darkness The Complete Book of Fallen Angels *Web Business Bootcamp* Richard Seltzer, 2018-03-01 First published in 2002 The specific examples are dated because business on the Internet changes rapidly But the underlying principles and lessons hold true You're in basic training for the battle of your life Your mission is to keep your company alive and to help it move forward quickly in unfamiliar territory You must master the tools and techniques needed to serve customers and beat the competition into the strange and potentially hostile online business environment This no nonsense tip driven guide targets key activities that anyone can perform to truly achieve online business success Internet marketing pioneer Richard Seltzer
