An Unnecessary Woman:

An Unnecessary Woman Rabih Alameddine, 2014-11-17 Aaliya Saleh lives alone in her Beirut apartment surrounded by stockpiles of books Godless fatherless childless and divorced Aaliya is her family's unnecessary appendage Every year she translates a new favourite book into Arabic then stows it away The thirty seven books that Aaliya has translated over her lifetime have never been read by anyone This breathtaking portrait of a reclusive woman follows Aaliya's digressive mind as it ricochets across visions of past and present Beirut Colourful musings on literature philosophy and art are invaded by memories of the Lebanese Civil War and Aaliya's own volatile past As she tries to overcome her ageing body and spontaneous emotional upwellings Aaliya is faced with an unthinkable disaster that threatens to shatter the little life she has left A love letter to literature and its power to define who we are the prodigiously gifted Rabih Alameddine has given us a magnificent rendering of one woman's life in the Middle East

An Unnecessary Woman Rabih Alameddine, 2014-02-04 A happily misanthropic Middle East divorcee finds refuge in books in a beautiful and absorbing novel of late life crisis The New York Times Aaliya is a divorced childless and reclusively cranky translator in Beirut nurturing doubts about her latest project a 900 page avant garde linguistically serpentine historiography by a late Chilean existentialist Honestly at seventy two should she be taking on such a project Not that Aaliya fears dying Women in her family live long her mother is still going crazy But on this lonely day hour by hour Aaliya's musings on literature philosophy her career and her aging body are suddenly invaded by memories of her volatile past As she tries in vain to ward off these emotional upwellings Aaliya is faced with an unthinkable disaster that threatens to shatter the little life she has left In this meditation on among other things aging politics literature loneliness grief and resilience The New York Times Alameddine conjures a beguiling narrator who is like her city hard to read hard to take hard to know and ultimately passionately complex San Francisco Chronicle A finalist for the National Book Critics Circle Award and the National Book Award An Unnecessary Woman is a fun and often funny grave powerful and extraordinary Washington Independent Review of Books ode to literature and its power to define who we are Read it once read it twice read other books for a decade or so and then pick it up and read it anew This one's a keeper The Independent
