Anthony's Textbook of Anatomy & Physiology - E-Book

Kevin T. Patton, Gary A. Thibodeau, 2018-03-05 Just because A P is complicated doesn't mean learning it has to be. Anthony's Textbook of Anatomy Physiology 21st Edition uses reader-friendly writing, visually engaging content, and a wide range of teaching and learning support to ensure classroom success. Focusing on the unifying themes of structure and function and homeostasis, author Kevin Patton uses a very conversational and easy-to-follow narrative to guide you through difficult A P material. The new edition of this two-semester text has been updated to ensure you have a better understanding of how the entire body works together. In addition, you can connect with the textbook through a number of free electronic resources, including an electronic coloring book, 3D animations, and more. Conversational writing style at a 11.7 reading level, the lowest available for 2-semester A P books, makes text engaging and easy to understand. Updated Genetics chapter includes important advancements in that field. Updated content on osmosis revised to make it more simple and accurate. More than 1,400 full-color photographs and drawings illustrate the most current scientific knowledge and bring difficult concepts to life. Includes a unique color key to show color scheme that is used consistently throughout the book; for example, bones are off-white, enzymes are lime green, nucleus is purple. UNIQUE Consistent unifying themes such as the Big Picture and Cycle of Life sections in each chapter help you comprehend the interrelation of body systems and how the structure and function of these change in relation to age and development. Numerous feature boxes including Language of Science and Language of Medicine, Mechanisms of Disease, Health Matters, Diagnostic Study, FYI, Sport and Fitness, and Career Choices provide interesting and important sidebars to the main content. Quick Check Questions reinforce learning by prompting you to review what you've just read. Chapter outlines, chapter objectives, and study tips begin each chapter. NEW Integrative Unit Closers tie together content with integrative critical thinking questions. NEW Additional and updated Connect It boxes, renamed from A P Connect, provide relevant bonus information for you to explore. NEW All new animations in the text and on Evolve companion site help you understand the reasoning and knowledge behind each answer and assist with recalling correct answers.
